**Licensing Act 2003 – New Application.**  
**Application Ref: 123242**  
**Prevention of Public Nuisance.**  
**Curry Flavour Restaurant and Bar, 225 Uppingham Road**

I wish to make a representation in connection with this application as I consider this proposal will be detrimental to the licensing objective of preventing public nuisance.

The proposed restaurant/bar is situated on Uppingham Road in a mixed use area within the city that is fairly busy with traffic and other on street noise. This on-street noise drops off as it gets to night time and by midnight almost all the other commercial buildings are closed, and the traffic has died right down resulting in a much lower background noise level.

I am concerned that if this restaurant/bar is allowed to open until 02.00 hours the noise from the associated on-street noise (people smoking outside the front of the premises, cars taxis coming and going, people talking, laughing etc as they leave the venue) is likely to cause a nuisance to residential properties opposite.

Therefore, I would recommend that if the premises licence is granted that the hours are changed, and the following conditions are attached in the interests of preventing public nuisance

**Premises Opening Hours**

**Sunday to Thursday 11.00- 23.00 hours**  
**Friday to Saturday 11.00- 00.30 hours**

**Supply of Alcohol**

**Sunday to Thursday 11.00- 22.30 hours**  
**Friday to Saturday 11.00- 00.00 hours**

**Late Night Refreshment**

**Friday to Saturday 11.00- 00.30 hours**

***All external doors and windows shall be kept closed, other than for access and egress, in all rooms when events involving amplified/live music or speech are taking place.***

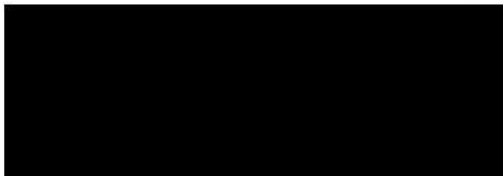

***\*(Note to applicant this may mean that air conditioning is required)***

***Notices to be displayed, located by the exit, requesting that customers leave the premises quietly and with consideration to neighbours.***

I have contacted the applicant regarding these conditions and that if they are acceptable, I have requested that they contact you in writing regarding this to confirm their agreement.

In the absence of such a formal written request being made, I will recommend refusal for this licence application as it stands

Kind regards

Chris White
