**Subject:** New Off Licence Application Near The Willows

Dear Sir/Madam

There's an application made for a New Premises Licence at 276 Victoria Road East, Leicester, LE5 0LF, as shown on the attachment. I've been in touch with Sara Le-Butt who's the manager at The Willows, we are concerned for the patients at The Willows, as they will have access to alcohol. I own a business called Best One on 278a Victoria Road East, LE5 0LF, we have a good relationship with The Willows and Arnold Lodge not to sell alcohol to patients, when they come out for their daily walks. The reason being that there are already two off-license shops on Victoria Road East, we don't want a third off-license on the same road, that is so close to both hospitals. We need to look at public safety, there will be an issue of public nuisance, the crime rate in the area consists mostly of violence, criminal damage and anti-social behaviour. We believe by having a third alcohol license on this street will have an increase in crimes and will cause severe disturbance to patients at both hospitals - The Willows and Arnold Lodge.

We greatly appreciate your time to listen to our plea on why we oppose this Alcohol Licence, here are the contact details:

New License for Harpreet Arora at 276 Victoria Road East, LE5 0LF

Dear Licensing Officer

I have lived on Leveric Road for over 15 years, it is a very quiet and friendly area. There is a new proposal for a premises selling alcohol with late opening hours.

I am worried that this will encourage anti-social behaviour and will encourage people to gather around the neighbourhood.

We already have two shops which sell everything we need and I strongly think this premises is concerning.

Please decline this application for our local community

Kind regards,

Sabo Sabotic

Dear Licensing Officer

I am writing to strongly oppose the forthcoming application of 276 Victoria Road East, LE5 0LF.

As I live so near I feel we have sufficient shops along our road, I don't want to be listening to excess noise outside and having to telephone the Leicestershire Constabulary on a daily basis due to excess noise and gang eruptions through access alcohol on our streets.

We have a good area and I like to visit our park and I feel if this was to go ahead we would have nothing but hassle and it is not acceptable.

Public Safety is essential this is not a good idea and would be damaging for Victoria Road East.

Yours sincerely

To Sir / Madam

I am a single mum living on the northfield estate, I use the shops on Victoria road east as they are essential to the community. There is a application for a new off licenses at 276 Victoria road east. I have concerns for my child and other children in the area, I do not want children exposed to alcohol and Public intoxication. I want my child to grow up in a area that is safe and that they feel safe playing outside. There are two schools in the area and Victoria Road east gets quite busy when schools is finished, I am worried about the Virus spreading with so many people on that stretch of road. Take concerns about this seriously I don't want to risk my health or my child or others around me.

Yours concernly

HARPREET ARORA - NEW LICENCE FOR 276 VICTORIA ROAD EAST

Dear Sir/Madam

I strongly oppose the opening of 276 Victoria Road East, LE5 0LF. The owners of Best One work so hard and don't deserve to be put out of business.

We don't need another off licence, we have one further down the road and Best One sells all we need.

To have another off licence would be destroying and cause problems in the street of gangs to hang around outside and upset our resident.

We like peace and quiet on our streets, so we don't need another off licence.

I hope you stop this happening.

Yours sincerely

New License at 276 Victoria Road East

To Whom It May Concern

I am writing to say I 100% strongly oppose the forthcoming application of 276 Victoria Road East.

As a resident of Victoria Road East, I feel this would be the wrong move, due to the following reasons:

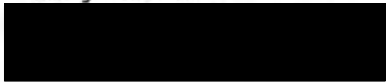

1. Attract more youth's gangs
2. Frightening the long-standing elderly residents
3. Ruin our local Craven Park – nobody will feel safe through all the extra youths drinking in the park
4. I feel you would be seriously breaching Public Safety

On the strength of these strong points I feel this application should be declined.  
Very Stupid move by Leicester City Council if you let it go ahead.

Yours sincerely

Dear Sir/Madam

We the Businesses of Victoria Road East parade would like to express our strong objection for the New Premises Licence Application submitted by Harpreet Arora in relation to 276 Victoria Road East, Leicester, LE5 0LF.

As pillars of the Local Community we believe that the adding of another Off Licence to our parade of diverse business will negatively impact our local community. As business owners, we worked hard to ensure that our services adequately serves the local area and our range of stores already includes two Off Licence. We feel that an additional Off Licence will significantly contribute to Anti-Social Behaviour and Petty Crime to the area.

We have voiced our concerns to our local councillor – Diane Cank, who supports our view and understands our concerns. We hope you will understand our apprehensions and take them into account before you make your final decision.

Yours sincerely

**NOTICE APPLICATION FOR NEW PREMISES LICENCE FOR HARPREET ARORA AT  
276 VICTORIA ROAD EAST, LEICESTER, LE5 0LF.**

Dear Sir/Madam

We write in accordance to the notice submitted on the 27<sup>th</sup> July 2020 by  
Harpreet Arora.

We would like to provide our comments relating to this matter as we strongly object the New Premises Licence of the sale of Alcohol by retail, for consumption off the premises during Monday to Sunday, 08:00 to 23.00.

We as business owners for the last 14+ years and the surrounding community of Leicester strongly detest the operating of the said license at 276 Victoria Road East, Leicester, LE5 0LF. The reason being that there is already a very competitive market on this street with two off Licence shop in close proximity. This shop opening will further decline our hard work and income for our family drastically. We have also experienced unprecedented change due to Covid-19.

With regards to the issue of public nuisance, the crime rate in the area as of June 2020 consists mostly of violence, criminal damage and anti-social behaviour. We believe by having a third alcohol licence on this street will have a profound increase of the said crimes and will cause severe disturbance and disorder to our neighbours and loyal customers who reside close by.

We greatly appreciate your time to listen to our plea on why we oppose this alcohol licence and hope you take the best decision with regards to our business and our surrounding Community.

Your sincerely

HARPREET ARORA – NEW PREMISES LICENCE – 276 VICTORIA ROAD EAST,  
LE5 0LF.

Dear Sir/Madam

I write in to propose the forthcoming application of 276 Victoria Road East,  
LE5 0LF.

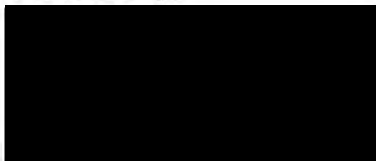

I regularly shop at Best One and the customer service is second to none.  
They have supported us through the pandemic and we think highly of them.

I feel to allow the application to go ahead would be costly to Best One and I  
would feel devastated if they were to close as a result of this shop being  
allowed to trade – I'm not happy one iota.

I feel it would attract youths outside and the level of trouble would be shocking  
for our estate as it would want to undercut Best One store.

I hope you take my points on board.

Yours Sincerely,

Mrs Jane Mason.

NEW OFF LICENCE AT 276 VICTORIA ROAD EAST, LE5 0LF.

Dear Sir/Madam

I write in to say how disgusted I am after learning there could be a new store opening at 276 Victoria Road East, LE5 0LF.

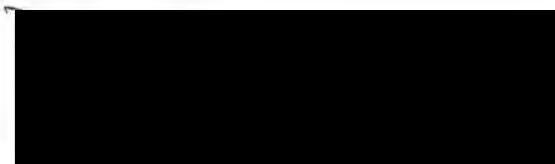

I feel this would be the wrong move from LEICESTER CITY COUNCIL. Due to gangs of youths congregating outside. We have a store BEST ONE who run a very well establish shop, they look after us and keep order on the street.

To open another store would be – well have a knock-on effect on their business and I feel saddened to think it could close Best One after nearly 15 years of hard work.

So I hope you stop the application going ahead.

NEW LICENCE FOR HARPREET ARORA AT 276 VICTORIA ROAD EAST, LE5 0LF

I strongly oppose the application to open a New Off Licence store at 276 Victoria Road East, LE5 0LF.

I feel we have to state my valid reasons why:

- I feel this would cause problems on Victoria Road East, due to youths congregating.
- I feel the local Craven Recreation Ground would have more trouble if this was to be opposed,
- I feel the elderly would be very scared to go out for fear of intimidation.

I hope you decline this application.

**New Licence for 276 Victoria Road East, LE5 0LF – Applicant Harpreet Arora**

Dear Sir/Madam

I write to strongly oppose the forthcoming application of 276 Victoria Road East LE5 0LF.

I feel another off licence would cause too many problems and bring trouble to Victoria Road East.

I as a resident feel we need to think carefully about this and think of the problems this will cause and the extra police problems.

I hope you think twice about this as we need a peaceful neighbourhood not a rowdy one.

I feel safety is a key issue here, for all concerned.

To Whom it may Concern

My name is Sejla Hamidovic and I live across the road from Victoria Road East. I am writing to Complain about the application for a new off licence at 276 Victoria Road East, I live directly opposite and I am my neighbours feel that it will create public nuisance, increase noise further in residential area, it will put children at risk by underage drinking and could cause criminal damage and disorder. I am not happy about the new premises being another off licence as we have two already on Victoria Road East, with the restrictions already in place in Leicester it may cause harm children and adults, we need to protect our community from possible risk and harm and criminal behaviour, I love my community and would hate to see it change negatively

**Application for a new Premises Licence at 276 Victoria Road East, Leicester, LE5 0LF – Harpreet Arora**

I write to STRONGLY OPPOSE the plans for licensing at 276 Victoria Road East, LE5 0LF. It is a residential area, with families, and is no place for a third off licence on the same street.

I am shocked these plans have even been considered. This will increase out of hours noise to family homes and the potential for anti-social behaviour as well as increasing night time taxis and road traffic, adding to already difficult parking problems and is likely to increase the need for more street cleansing in the area.

Again please, I strongly urge you to decline this application.

Mr Yusuf Patel

To whom it may concern,

Recently, I have learnt about another off license Premises/newsagent being brought to the Northfields/Humbostone area on 276 Victoria road east. I live right across of where this building may be and completely disagree with the idea of this shop especially during these hard times. I live in a family of 5 in which there is a baby under the age of 3 and 2 others daughters under the age of 18. I am concerned for the safety of my children, as they play outside a lot. If this shop sells alcohol as well, it will attract people who are drunk which could lead to my children becoming harmed.

Another reason why I am against this idea is because of the noise, my children need the best sleep that they can get in order to be healthy, however this is not possible if this off license is open till 12am.

Although we do have a few other off license shops they are respectful and keep in mind the safety measures, noise levels and hygiene. Best one is the name of one of these shops, the owners play a big part in helping the community by selling what we need. It is extremely clear that the use of another shop is simply not needed.

I hope that you can understand and find the simplest solution to this problem.

Application for Selling alcohol at 276 Victoria Road East – Harpreet Arora

Dear Licencing Team

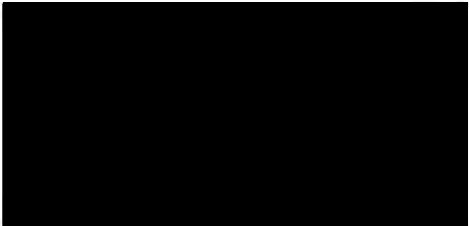

As a local resident for 15 years at Victoria Road East we are very concerned for the sale of alcohol at the above address. We already have two Off Licence shops on Victoria Road East, to have a third Off Licence shop it would be absolutely ridiculous.

I am concerned as alcohol-fuelled noisy house parties or litter or vandalism, on Victoria Road East. We have a wonderful shop called Bestone, they have been running there business just over 14 years, they know the locals and provide an excellent service. Bestone provides excellent and friendly service, they are the main focal point in our community. To add another off licence would raise concerns in our neighbourhood.

Please can you object the above application and we are very happy with Best One.

Kind Regards

SIR/ma'am

I am a resident of IVERIC ROAD/VICTORIA ROAD EAST. I am partially blind and have support to write this letter. I am worried about the new proposal for the new premises at 276 VICTORIA ROAD EAST which is directly opposite from my home. I have issues with the prospect of late night purchases of alcohol, late opening hours and the risk of children and the elderly being subjected to noise and criminal acts. I have lived in this area for over 40 years and would not want to see crime and anti social behaviour being apart of my Community. The residents around the surrounding areas feel the same as I do, I do not want my grandchildren to be afraid to visit because of this, the people who live here oppose the application for a off license as there are 2 already which is enough for such a small community. I am worried that people will abuse alcohol, children will buy it and be at risk mentally and physically, please reconsider the proposal and put the residents and children first, there is a primary school and junior school not far from 276 Victoria Road east, children may try to obtain alcohol which will have a devastating affect. I want people in the community to feel safe and not be afraid to walk around the area late at night.

Dear Sir/Madam

I write in as a elderly resident who lives facing Best One Convenience Store.

I don't feel another off licence is essential to our neighbourhood as it would cause too much trouble in our streets of Victoria Road East.

I am so against another Off Licence and I would be scared to go out at night.

Thank you.

I am worried because there is going to be another Shop selling alcohol, my concerns are for my children who live in the area. I do not want my children to be exposed to potential harm, which is caused by excessive drinking and inappropriate behavior. myself and my neighbors feel strongly about this, we do not need another premises selling alcohol, what message does this send to the younger generation, who may purchase it. Please consider the residents in the area and how this will impact them. I want my children to grow up in an area that is safe for them to play outside, not seeing bad behavior through drinking alcohol and an increase in traffic which is bad enough on Victoria Road East, we do not need another shop which sells alcohol, 276 Victoria Road East, should be a more essential shop

LETTER OF OPPOSITION FOR THE  
APPLICATION FOR AN "OFF-LICENSE"  
HARPEET ARORA  
276 VICTORIA ROAD EAST,  
LEICESTER,  
LE5 0LF

To whom this may concern,

I am writing this letter to oppose permission for the granting of an 'alcohol license' to the premises named above.

We in this area already have a wonderful Supermarket and off-licence offering everything that is needed from food, alcohol and essential goods. That shop is "Best-one".

"Best-one" has been open all through this pandemic offering everything that is needed. When I have been unable to get what I needed from a Supermarket, "Best-one" have always managed to get it for me.

"Best-one" already have a wide range of alcohol, and another off-licence is not needed.

After everything that has been happening over the past few months the people that work in "Best-one" have always managed to stay happy and cheerful. This is the last thing

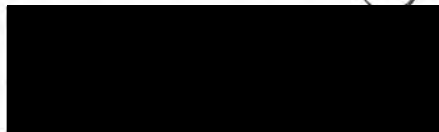

that they need. You couldn't ask for more friendly Shop owners.

Granting a alcohol license to: HARPEET ARORA would certainly take profit from this wonderful friendly shop. It's been hard for all of us recently, we really wouldn't want our local shop to end up closing, which many other shops have done during this pandemic.

WE REALLY DON'T WANT OR NEED ANOTHER OFF-LICENSE, AND WE IN THIS COMMUNITY WILL FIGHT IT ALL THE WAY.

WE ALL STAND 100% BEHIND OUR LOCAL SHOP "BEST-ONE".

Yours Sincerely

Dear Sir/Jeddom

I submit this report to ask  
for urgent attention for you to oppose the  
opening of another off-licence Next store to  
Best Convenience:

They have been trading for years  
They offer a excellent service and as a  
Community We Value them  
They deliver on a daily Basis good Customer  
SERVICE - A friendly smile and all we need  
And throughout the pandemic have worked  
So Hard to make sure all the customers  
had all the ESSENTIALS needed

They certainly went the extra mile for us all  
We already have a store in the block  
And for another one to trade would be  
So unfair - and would cause too much upset  
The forthcoming opening of another  
off-licence would certainly put a strain

of Best Convenience 2784 VICTORIA ROAD EAST  
And I feel that if you was to give  
Harpreet ARORA the go ahead to trade  
He probably would want to under-cut

Best Convenience and try to promote a price.  
We're trying to drive them out of Business  
Cause that's how business people act  
Nowadays - this application has to be declined  
In my estimation this is lower than a Spence's

Application for a new premises licence at 276 Victoria Road East – Harpreet Arora

Dear Licensing Authority

Victoria Road East is currently served by two convenience stores, one which is licensed open from 8am to 10pm, Monday to Saturday and Sunday until 8pm. Additionally, at the other end of the Victoria Road East there is a licensed convenience store which is open until 10 p.m.

There is a high density of residential property in and around the Victoria Road East, whose residents have been affected by antisocial behaviour caused by late night drinking. These include residents in flats over shop premises on the Street.

The proposed application for a new premises licence at Victoria Road East will increase the residential population potentially adversely affected by another alcohol retail store. The increase in noise, litter, traffic and antisocial behaviour will have a serious negative impact on the quality of life of residents living on and around the Victoria Road East.

On the notice of application for 276 Victoria Road East, the opening times will be 8am to 11.00pm, alcohol are a major contributory factor to levels of crime and disorder. In particular density and capacity can have a significant impact on the levels of crime and disorder.

Once the 'tipping point' has been reached where there are too many alcohol shops in an area, leading to increased and unacceptable levels of crime and anti-social behaviour, it is very difficult to rescind licences and reduce the negative impact on the community of the increased sale of alcohol.

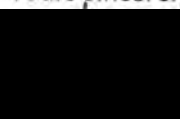

The absence of public toilets can lead to users of the late night economy outlets urinating and defecating in the street or in alley ways. Increasing the availability of alcohol in Victoria Road East could exacerbate this problem.

Increasing the number of hours convenience stores with a licence to sell alcohol will exacerbate the litter problems which Victoria Road East has already in view of the numerous fast food outlets already operating throughout the Street.

All staff should be trained to apply the sale of alcohol restrictions on under-age drinkers but there is a possibility that increasing the availability of alcohol open until 11pm on Victoria Road East could increase the risk of under-age drinking in the area with the attendant anti-social behaviour issues for the community and risks to the health and well being of minors by under-age drinking.

For the above reasons Victoria Road East Residents is registering its objection to the licence application for Harpreet Arora – 276 Victoria Road East, Leicester, LE5 0LF.

Yours Sincerely

E. Hadley

To whom it may concern,

I'm writing in regards to having another off license, opening on main road, Victoria Road East Humberstone, we already have two off license operating on that stretch of road, the Supermarket and the news agent. There is no need for another shop ~~on~~ that is going to be open longer hours. myself, I live directly across the main road, so that will affect me, because I'm working, I'm up early so that mean I'm in bed early. We have enough trouble around here, with shooting, cars racing alcoholic drinking in the alley way and in the park at the back of the shops, no to mention, the mental hospital across the road, you need to think about that. I've lived here most of my life. and I like it, you see a deprived estate and thinks it needs another shop selling booze WE DON'T.

Thankyou for listening

**NEW LICENCE – 276 VICTORIA ROAD EAST**

**Dear Sir/Madam**

**I write into say I am not happy with the thought of 276 Victoria Road East, LE5 0LF, applying for an alcohol licence.**

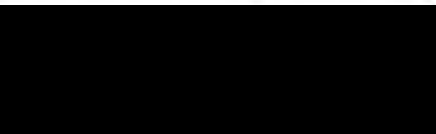

**Opening an Off Licence next to Best One I value them and their Customer Service, they are the best.**

**They look after all their customers and I strongly object to this application.**

**Best One has served me for years since living near by and I feel if you let this application go ahead, it would bring trouble on the streets of Victoria Road East.**

**As a local resident I strongly oppose the opening of 276 Victoria Road East.**

Mr. Emanuel Fernandes

To whomever it may concern.

I am writing in regards to the opening of another off-license on 276 Victoria Rd. East.

As a resident of this area. I have seen increased amount of anti-social problems around the area and adding another off-license premises will just get it worse.

The best-in shop (on Victoria Rd. East) has been doing quite well, to serve the community and their service to consumers is more than enough to support our area.

My request to you, is please do not add any other off-license on our street as it may cause more problems with safety in our community at Victoria Rd. East.

Yours. Sincerely.

Dear Sir/ Madam

I write to say I strongly oppose the forthcoming application of 276 Victoria Road East, LE5 0LF – Harpreet Arora.

I feel another Off-Licence will bring too much trouble to our street Victoria Road East.

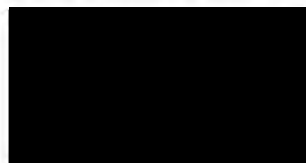

So there-fore I oppose this on the following grounds.

1. Safety of our residents.
2. Elderly scared to go out for gangs congregating in Victoria Road East.
3. We already have two decent shops in the block.
4. Our parks no longer safe to enjoy a stroll and when we use the gym after Covid-19, feeling intimidated by youths so avoiding exercise.

Please decline this application for our local community.

Thank you.

Yours Sincerely,

Reshma Nathwani

To whom this may concern,

I am writing this letter as it has come to my understanding that there shall be another off licence store opening on 276 Victoria Road East. I live in the Area, and I currently Shop in BEST ONE Shop on the Same Road.

I have a Band a half year old Daughter and I use that road regularly for the Chip Shop, Best One and Samat chemist. I don't think that another off licence shop is required on this Street as it will attract more drinkers and youngsters hanging around the area. I also believe that this Store will be operating till late hours which will disturb the peace of all of us living in the area. And shall also make it unsafe for us if there are drunkards hanging around.

This will avoid Noise and Safety for us and our children. We already have 3 off licence and corner Shops in our area ~~and~~ which we have visited and Shopped from, and which is more than enough for our area.

Thank you

Dear Licensing Authority

Selling of alcohol for a new Premises Licence at 276 Victoria Road East, Leicester, LE5 0LF.

I am writing to register my objection to the application for a premises licence 276 Victoria Road East, Leicester, LE5 0LF. The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

There are currently two off licence shops on Victoria Road East and enabling the premises to sell alcohol would be totally detrimental to its aims and objectives. The application proposes that alcohol will be sold for consumption off the premises between 8.00am and 11.00pm, seven days a week. Granting a licence would provide a further source of alcohol with an area already so heavily populated with licensed premises that crime, disorder and public nuisance have already reached problem levels for the local police.

Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night. It is totally unacceptable to expect them to continue to do so.

In view of the above, I would urge the Licensing Authority to refuse the application.

Yours sincerely

S. Parker

MISS K. A. HOLFORD.

To whom it may concern.

I am writing in regards to the Proposed Plan to open a new OFF license at 276, Victoria Road East.

I am a local resident on the adjoining estate and the opening of another OFF license has raised cause for concern not only for myself, but for other residents I have spoken to.

There are a number of groups that congregate around the area causing people to feel intimidated and making noise that is not wanted. The businesses that are already there have the groups under control and have done this by building friendships with the locals over a number of years. I fear the opening of a new OFF-license will disrupt this and the work the other businesses have done would have been for nothing. We do not need another OFF-license in the area as what we have is more than sufficient.

opening a pet shop or a D.I.Y shop would be more beneficial.

P.T.O.

My family and neighbours have used the local shops for many, many years and will continue to do so at each for the needs required at the time.

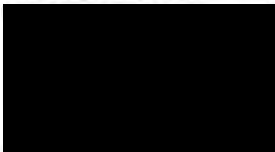

I will stay loyal to these shops.

I hope you re-consider the plans for another off-license.

Kind Regards

REF: APPLICATION FOR NEW PREMISES LICENCE – 276 VICTORIA  
ROAD EAST, LE5 0LF.

Dear Sir/Madam

I write to say I strongly appose the forthcoming opening of 276 Victoria Road East, LE5 0LF. Due to the valid reason listed below:

- a) I fear of gang war
- b) I fear of Public Safety will be overlooked
- c) We already have two off licence shops on Victoria Road East
- d) It will cause a lot of unnecessary trouble to our neighbourhood and we have to think of our children, people of all ages and their welfare.
- e) Safety is importance and I feel Victoria Road East would not be safe at all.

For these reasons I ask for you to reconsider allowing this application to go ahead.

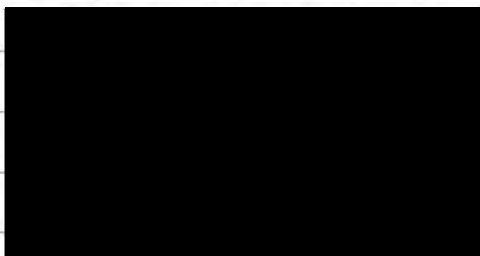

Thank you.

Dear Sir/Madam,

I am writing to inform you about my opinion on opening a new shop. We are writing as neighbours of the following street Victoria Road East. If you could please consider what I am about to say it would be very much appreciated, As we already have a few shops around the local area, I don't think we need another shop. This will make the neighbourhood very noisy and distracted.

This is not my area of judgement but I assume you would take this into account. We moved to this neighbourhood a year ago and we thought about this and we came into conclusion that writing this letter would be more formal.

HARPREET ARORA – APPLICATION FOR A PREMISES LICENCE AT 276 VICTORIA ROAD EAST.

Dear Licensing Authority

Victoria Road East which already suffers from deprivation, criminal activity, anti-social behaviour and drug dealing, granting a licence for the sale of alcohol to the above shop in a residential area will only attract more of what is stated above.

There is a strong local objection from residents, businesses and community organisations who all agree that this will result in an increase of criminal activity and gang activity alongside putting the most vulnerable at more risk whereby the temptation of an increased availability of alcohol will affect the mental and physical wellbeing of those who already suffer from mental health and other complex issues.

With regards to 'protection of children from harm', there are a number of local primary schools nearby such as Merrydale Infant School and Falcon Primary School. The majority of these children live locally and would therefore travel by foot to and from the respective institutions and by having an increase in the sale of alcohol in this area, would pose a danger to the children as an increase in consumption will ultimately result in more anti-social behaviour, violence, disorder and nuisance on the streets.

I would highly recommend the council's licensing officers that the application not to be granted.

Kind Regards

A Butler

DEAR SIR OR MADAM

I AM WRITING BECAUSE I AM A CONCERNED PARENT AND CONCERNED ABOUT THE APPLICATION FOR ANOTHER OFF LICENSE ON VICTORIA ROAD EAST. THERE IS ALREADY 2 OFF LICENSES ON VICTORIA ROAD EAST AND ANOTHER WILL CAUSE DRUNKNESS, BAD BEHAVIOUR AND I AM CONCERNED FOR MY CHILDREN, I WAS NOT BORN IN LEICESTER BUT IT IS MY HOME AND I LOVE MY COMMUNITY. I WOULD HATE TO SEE THE AREA GO DOWNHILL, BECAUSE OF LATE NIGHT DRINKING, I DO NOT WANT IT TO INFLUENCE MY CHILDREN, MY ISSUES ARE THAT WE ONLY HAVE A FEW SHOPS THAT ARE ESSENTIAL FOR THE COMMUNITY, I DON'T SEE HOW A SHOP THAT CAN SELL ALCOHOL TILL 11PM IS ESSENTIAL. WE HAVE PULLED TOGETHER AS A COMMUNITY THROUGH LOCKDOWN SHOP OWNERS AS WELL HAVE BEEN THEIR TO HELP US IN TIMES OF NEED. TO ADD ANOTHER OFF LICENSE WILL CAUSE OUR COMMUNITY TO SEE ANTI SOCIAL BEHAVIOUR AND COULD END UP WITH THE AREA INCREASE IN CRIME. FOR OUR CHILDREN, ELDERLY, VULNERABLE AND PARENTS PLEASE RECONSIDER THE APPLICATION.

Notice of Application for a new Premises Licence at 276 Victoria Road East, Leicester, LE5 0LF.

Dear Licensing Team

With regard to the review of a new premises licence for the above address I would like to have my concerns taken into consideration when dealing with this matter.

These objections were raised on the assumption that several issues would arise regarding having a third licensed premises in the area.

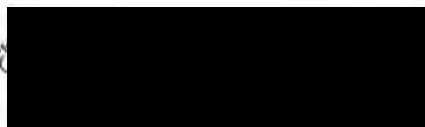

The types of behaviours that residents have to tolerate on a daily basis are Parked cars with loud music, Drinking outside the shop, Customers gathering outside of the shop and having no regard or respect for residents whatsoever.

We also need to look at Drunken behaviour with disputes outside the shop door and Inconsiderate parking outside of houses and shop. People drinking in cars outside of shop and Cars dumped with engines running whilst the driver runs in the shop.

I do hope that you will take into consideration all of the above when reviewing the premises licence.

Yours faithfully

To whom it concerns  
I'm writing  
in respect of a proposal for an  
off licence situated at  
276 Victoria Road East.

I've been resident Locarno for  
the past 20 years and strongly  
believe that this is totally  
unnecessary given the fact that  
there are already two on the  
same stretch of shops, one being  
next door and a further two  
were within walking distance.

Situated behind the shops  
is a park area which is used  
by various people and occasionally  
social gatherings with the youths.  
On the other side of park is one of  
the other stores mentioned.

I fear adding another could

result in more gating as the park with drinkers, a rise in A.S.B. and traffic,

My greatest fear is that the safety of local residents could be compromised as a previous gating resulted in a local boy being shot.

I sincerely hope this can be taken into account when a decision is made.

**Application for Harpreet Arora to sell Alcohol at 276 Victoria Road East, LE5 0LF.**

As a local resident and ex professional boxer I have concern for the above licence applications, in terms disturbance from noise, public nuisance, crime and disorder on the local residential amenity and safety.

The police have better ways of spending their time than being called out by residents of our street because of noise and disturbances, and so I ask you to oppose the applications.

I hope that the council will not grant this inappropriate licence to Harpreet Arora at 276 Victoria Road East, LE5 0LF. In response to the four licensing objections directly:

**Prevent of crime and disorder** - I believe the granting of applications will bring crime and disorder to the area which would lead to criminal damage and other criminal acts, and disorder due to excess consumption of alcohol such as fighting in the street. If littering is viewed as a crime, then it applies here, as bringing more people to the area for the activities being applied for will lead to littering in the area.

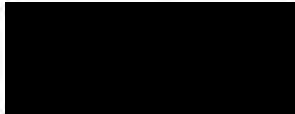

**Public nuisance** - the increased amount of traffic, be it cars, taxis or persons on foot will be a nuisance to the public and residents in the area. Noise from people who consumes alcohol would be a nuisance to the public and residents in the area that currently experience a peaceful environment. Parking will be affected in an area already experiencing problems with available parking and inevitably parking in unsuitable areas will become worse, causing nuisance to other road users and local residents. If littering is viewed as a public nuisance, then it applies here, as bringing more people to the area for the activities being applied for will lead to littering in the area.

**Public safety** - an increase in traffic in the area would certainly be a concern for safety. Those visiting the shops in the area will feel concerned for their safety given there being people in the area that may have consumed excess levels of alcohol. The risk of public violence is increased in the area with the sale of alcohol and people suffering abuse other than violence, be it verbal or otherwise, would be increased by the granting of these license at 276 Victoria Road East, LE5 0LF.

**Protection of children from harm** - Noise from increased traffic would inevitably disturb children's sleep and the experience would be disturbing to them as what is currently a peaceful area would become noisy at times when children are sleeping. Shouting or the noise outside the premises would be extremely disturbing for children in the nearby area.

I hope that the council will not grant this inappropriate alcohol licence to Harpreet Arora at 276 Victoria Road East, Leicester, LE5 0LF.

To Whom It May Concern.

I am writing to you with concerns of a new shop opening at 276 Victoria Road East, owners name Harpreet Arora - postcode area LE5 0LF, and I do believe the opening times will be 8am - 11pm. On the same stretch of road where all the shops are situated we already have a Newsagent/Off Licence and our Big Supermarket "Best One" which is also an Off Licence. Over the last few months we have had quite a bit of anti social behaviour and a

big altercation which led  
to someone being shot.

I myself and the  
surrounding neighbours of  
the community feel that  
adding another off license

will only cause more  
problems for the area. If

I am concerned also because in such a small area, I do not want my children exposed to this, the area has such a friendly and community atmosphere, I do not want to lose that and neither do my neighbours.

Please reconsider your decision on opening up another off license, there are 2 premises already selling alcohol and other essentials, anymore would be too much for a small stretch of road.

Myself and others are worried about the problems this could cause to the neighbouring streets and area.

Dear Sir/Madam

I write in to say I am so worried with the thought of a New Off-Licence hoping in our area - 276 Victoria Road East, LE5 0LF.

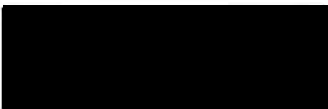

I feel public safety is so important and I have great concerns that a new off licence could attract the wrong crowd in our neighbourhood and cause Anti-Social Behaviour to spiral out of control.

The Craven Recreation Ground at the back is meant to be a peaceful and a child's play area and I feel this would attract gangs and I feel this would make elderly people who even want to fetch a pint of milk and a loaf of bread scared to leave their homes.

Public Safety is off paramount importance, so please consider our Safety in the neighbourhood before you make a final decision.

Much appreciated.

To whom it may concern

It was brought to my attention that Harpreet Arora has applied for a License to sell alcohol from 276 Victoria Rd East, LE5 0LF

I feel that this area really doesn't need another outlet selling alcohol, there are two well established shops already doing so. A third shop in such a small area selling the same would only lead to problems such as anti social drinking with groups of young people trying to buy drinks and street drinking.

The two shops we have now

are very responsible on their  
sale of alcohol and have  
built up a good relationship

it would be very unfair for

**Children from Harm** – Shouting or the noise outside the premises would be extremely disturbing for children in the area.

**Public Safety** – The risk of public violence is increased in the area with the sale of alcohol.

**Public Nuisance** – Noise from people who consumes alcohol would be a nuisance to the public and residents in the area. Parking will be affected in an area already experience problems with available parking.

New premises license.

Dear sir/madam,

I am writing to state my concerns and objections for a new premises licence by Harpreet Arora at 276 Victoria road east, Leicester LE5 0LF.

There are already 2 off licenses within a few yards of this location.

The application for alcohol especially at this later time will encourage some elements to further late time drinking which will lead to problems both for the police and the residents.

I do hope you will consider this in a neighbourhood context and not a purely financial one as there will be further expenditure for both the police and the council for monitoring this.

another off licence on  
Victoria Rd East, as we already  
have too. The park is used  
as a drinking place and  
they leave all the rubbish on  
the ground instead of using the  
waste bins. More work for the  
council workers, and it is  
already a dumping ground  
for everyone else's rubbish.  
Yours sincerely  
H. Ridgway

**Dear Sir/Madam**

**19<sup>th</sup> August 2020**

**I write in connection with the above application, I wish to object strongly to the application for a new Premises Licence at 276 Victoria Road East, Leicester, LE5 0LF.**

**I own Best One store under JM(UK)LTD, I've been trading for nearly 15 years, when I first started back in 2006. I run a successful business and I've got a good customer base at my company. All my customers are loyal to me and they stay loyal, as long as I stay in this location.**

**I've been speaking to my customers, regarding application for a new premises licence at the above address. They are clearly not happy and disagree about the alcohol to be sold at 276 Victoria Road East. By getting customers point of view for these changes, they are happy to sign a petition, I have enclosed with this letter. I have managed to get roughly 537 signatures from my regular customer and the local community within the area.**

**There are several reasons why we want to stop this application, there are two off licence shops on Victoria Road East, we don't need a third off licence. This may cause more crime and public disorder, children could be harm, public safety and impact on social behaviour, not to forget it could encourage under 18's for alcohol.**

**I strongly reject the above application, that we do not require another off-licence store in this area. In our tight knit community, they are very happy with my Best One store and they have everything that we provide them.**

**Please let us know, what the final outcome for the above application.**

**I look forward to hearing from you.**

**Yours sincerely,**

# ALCOHOL LICENSING: PETITION OBJECTION LETTER

28<sup>th</sup> July 2020

Licensing Authority  
Leicester City Council  
Phoenix House  
1 Wellington Street  
Leicester  
LE1 6RN

We, the residents of Northfields/Victoria Road East, object to the granting of an alcohol licence to Harpreet Arora, 276 Victoria Road East, Leicester, Leicestershire, LE5 0LF.

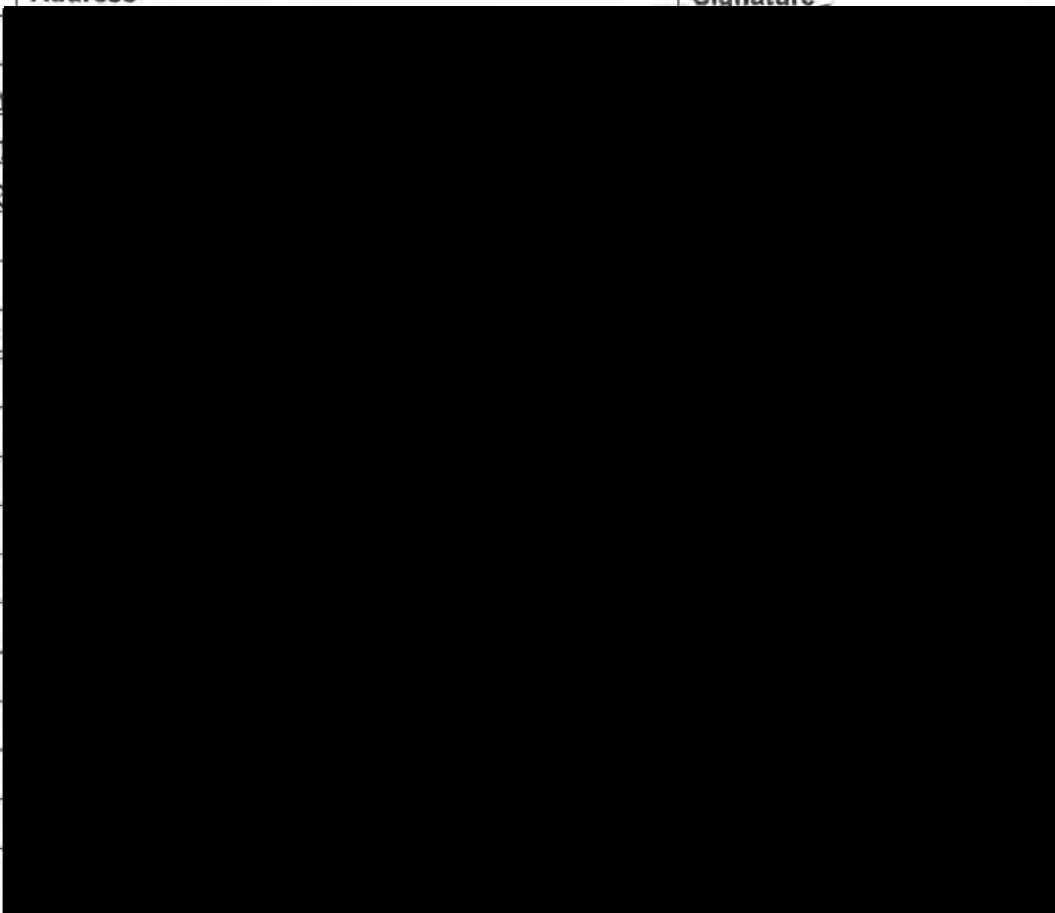

We have an interest in this application that is greater than the general public, as there are already two shops in the same street within a very short distance.

We object to the application for an alcohol licence on the grounds of disturbance from noise, public nuisance, crime and disorder on the local residential amenity and safety.

The contact person for this petition is:

Name : Mr Ranmal Odedra  
Postal address : 278A Victoria Road East

# NOTICE OF APPLICATION FOR A NEW PREMISES LICENCE

This petition is to stop the sale of alcohol by retail, for the consumption off the premises at 276 Victoria Road East. The reason why I'm starting this petition is because we are a main local convenience store for our community and do not need another store in the area.

**NOTICE OF APPLICATION FOR A NEW PREMISES LICENCE FOR SALE OF ALCOHOLE AT  
276 VICTORIA ROAD EAST, LEICESTER, LE5 0LF**

We are submitting this notice in behalf of our local community in Northfields, we write in accordance to the notice submitted on the 27<sup>th</sup> July 2020 by Harpreet Arora. We would like to provide our comments relating to this matter as we strongly object the New Premises Licence of the sale of Alcohol at the above address, during Monday to Sunday, 08:00 to 23.00. With regards to the issue of public nuisance, the crime rate in the area consists mostly of violence, criminal damage and anti-social behaviour. Overall new off licence store is not worth it for our local community, and we believe that we do not need any other off license shop at Victoria Road East.

Dear Licensing Officer

I have lived on [REDACTED] I am writing to strongly oppose the application of 276 Victoria Road East, LE5 0LF.

It is very quiet and friendly area on Victoria Road East. I am concerned that this will create Crime, encourage youngsters to gather around the area including Craven Park and Anti Social Behaviour.

We already have two shop on Victoria Road East and Post Office at the back within walking distance.

Public Safety is very important, this is a very bad idea to introduce a third shop on Victoria Road East, and it would damaging for the local community and the area.

Please decline the above application for our community.

Licensing Authority,

Dear sir/madam,

■ Notice of application for new premises license of 276 Victoria Road East. I, Jayesh Shah running a Post Office on Swainson Road object to the grant of a new off license in this area. This is due to already having 3 off licenses within this area. We certainly do not need another off license as there are already lots of groups of youths which gather around this area with so much irrational behaviour not considering others around them. Therefore, please do not grant this off license with not only me but all other shop keepers objecting vehemently.

Yours sincerely,

**Application for new Premises Licence: Harpreet Arora at 276 Victoria Road East, Leicester, LE50LF**

I am writing to STRONGLY DECLINE the plans for licensing at 276 Victoria Road East, LE50LF. It's a residential area with families and we already have two off licences on that street so there really is no need for a third.

I am surprised these plans have been considered in this area as it will increase out of hours noise, 'The Willows' mental health unit nearby it provides an unnecessary risk to them and also the local community which brings more anti-social behaviour, lack of unavailable parking will cause more nuisance to other road users and put pedestrians at risk.

I urge the local authority to reject this application and consider the safety of the community and especially the influence it will have on the younger generation.

Kind regards

*S.K. Saund*

Dear Deborah

I am emailing to oppose the application for a new premises license at 276 Victoria Road East, Leicester by Harpreet Arora.

There are already 4 licensed premises in the immediate area and having another would only add to the problems that we have in the area with street drinkers, congregating on the Cravens Recreational Ground which is at the rear of 276 Victoria Road East.

Drinkers congregate on the Cravens from 10am in the morning and some are there at 2am in the morning causing not only a noise nuisance to local residents whose properties back onto the Cravens but they leave the ground littered with beer cans and empty bottles which are often smashed on the pathway, despite there being ample litter bins. Three of the current licenced premises supplying alcohol close at either 8pm or 9pm and to have yet another supplying alcohol until 11pm is not acceptable.

I personally have had to report the state of the litter on numerous occasions through Love Leicester (they must be sick of me sending in reports) and had to report to the Police about ASB on the park. Local residents are very angry and do not want another licensed premises in the area.

I strongly oppose the granting of yet another license and have to put the welfare of local residents first.

I will forward to you in another email photos of the state in which the grounds are left most days.

Kind regards  
Cllr Diane Cank

**Subject:** New Premises License at 276 Victoria Road East - Harpreet Arora

TO WHOM IT MAY CONCERN

I've seen an advert in the Leicester Mercury for a New Premises License at 276 Victoria Road East, LE5 0LF - applicant Harpreet Arora.

I am shocked that there could be a new off license shop opening at 276 Victoria Road East, LE5 0LF. I feel this could be harmful to the community. There are already two

Off Licenses on Victoria Road East, the Best One on 278 Victoria Road East who have been running their store for around 15 years, which has been my regular shop for nearly

as long as that store has been open; and another store that I will admit that I have not used as much. There is a post office next to the park, and there is another Off Licence near

the corner to Gipsy Lane.

To allow the application to go ahead would be very damaging to Best One and the local community. The Best One would need to do cutbacks on their staff and the new store

will try to undercut Best One. For the local community a new store would cause problems on Victoria Road East, due to youths congregating and the store would be opening until

11pm and a lot of people in the community are not very happy, as most of the community has a good rapport with the staff at the Best One, their staff can often tell the youths to move

without any repercussions such as being egged, or even having stones and bricks thrown at their windows. I know that Best One had these issues when they first started their business

on their premises, but due to being on such good terms with the local community, I don't think that they have these issues that often now. Furthermore, the new store is trying to apply for

a licence till 11pm, which is definitely the worst possible scenario; there is already an issue of drunken people in this neighbourhood, having YET another store will worsen this by many times.

People being able to buy alcohol into the later parts of night is an incredibly, stupid idea. Imagine the homeless or the youths being able to get alcohol from a store at 11pm, I know

the difference may only be 2 hours, but those 2 hours are the difference between the neighbourhood being awake and being asleep, being able to have a good night's rest compared

to a drunken fool causing havoc at the middle of the night. And while I am talking about alcohol, just having another store will affect the consumption of alcohol too.

I realise that economically speaking competition helps the consumer at spending less, but with Northfields I think that there is enough competition for normal necessities like food or water,

the effect will most likely be on the prices of alcohol. Each store will try to find a way to undercut the other in every product, but it is the last thing we need is to make alcohol more cheaper in

an already struggling community.

Do not misunderstand me and think that I don't mind paying extra for all my necessities, I do mind, like any person would, however I just know that having extra competition, that stays open for longer,

will cause undercutting prices of alcohol, congregation of youths that do not appreciate being told what to, or not to do, increased crime incidents in this already troubled area, the Craven Recreation

Ground would have more litter cans and empty bottles all over the floor, most likely alcohol, and adding more bins wouldn't solve this. I also think that there could be an increase in drink and drive

incidents due to the late time that the new store is applying for, many more drivers will be braver to drink and drive the alcohol they purchase at 11pm, where there feel confident as there are less

cars that they could crash into, and less police presence too.

As a local resident I feel we need to think carefully about this and we should realise now before we have made a mistake, that this time, the pros do not outweigh the cons.

A summary:

Increase in Anti-social behaviour,

Increase in noise complaints,

Increase in littering,

Increase in crime

increase in under age drinking

increase in parking issues

increase in drink and driving

I feel Public Safety is very important and this application must be declined.

Thank you

To whole it may concern,

I have seen the application for a off license to open at 276 Victoria road east to become an off license with permission to be selling alcohol!

As a previous resident of that area I recently moved away because of the nonsense that area has become, with stabbings, shootings, fights, and very bad anti social behaviour! We are a family of 6 with young children I grew up in that area and the last few months I was frightened to walk to my local shop! I wouldn't even think about going out at night times, and I wouldn't let my children out.

All because of the congregation of youths & adult gangs and groups hanging around the area of the shops! I do still go to the area as my parents live just around the corner.. I think opening up another shop with later closing times is a very bad idea, I think it will just invite these groups and gangs to be drinking smoking and congregate for longer outside of them shops! There is a park at the rear of the shops that already has had a lot of trouble round there. And I think adding more alcohol fuelled youngsters is just going to add to the crime already in that area. The Best One shop will also suffer loss of custom which isn't fair they are a lovely family running that shop everyone in the area know them as a community I hope this certain area stick together to stop this new shop from opening!

Many thanks

Ref- Premises License at 276 Victoria Rd East, Leicester. LE5 0LF.  
Applicant- Harpreet Arora

Dear Sir/Madam

I object to the application of alcohol licence by the above applicant at the above premises. The parade of shops on Victoria Road east already has two stores selling alcohol and several other stores within quarter miles radius also selling alcohol. All these stores are sufficient to serve the local residents and maintain fair competitive and choice, any further new alcohol license issued will create anti social behaviour in the surrounding area and lead to vandalism.

I hope you fully take onboard the concerns of the local residents/communities and reject the above application.

Thankyou

Rakesh Mehta

Hi Amy,

I'm unsure as to why Mr Odedra has forwarded my details as I certainly did not give permission for him to do that?

Mr Odedra contacted me requesting me to support his objections, after seeking advice from our Trusts legal team I informed Mr Odedra on the telephone that this was not an NHS Trust Provider matter and unfortunately I would not be able to comment, I advised that he may want to re-direct his request for Health support to the City Clinical Commissioning Group and also to Leicester City Council Public Health who may be able to advise further, he asked for this information to be emailed to him which I did (see attached)

For clarity – I do not wish to object

Kind Regards,

*Sara*
