Subject: 153 Scudamore Road, fast-food standing

Dear Sirs,

Not a long email, but a few points in regards to yet another food outlet on the side of what is already a busy industrial estate..

- 1) Other food outlets on Scudamore Road, chip-shop, Chinese takeaway, burger vans and a Tesco..
- 2) With Samworth Brothers now operating on Scudamore Road, a large influx of HGV (very heavy vehicles) now using the T junction of Wembley Road/Scudamore Road.
- 3) Parking is restricted for company staff, let alone customers for another Hot Food outlet.. Not just near 153 Scudamore Road, but the whole estate.
- 4) Restricted views at said T Junction.
- 5) Training vehicles/trainees put in to an uncontrolled environment with 'fast food customers.

Help someone invest in a sit-down café on the estate.. A controlled environment...
