Subject: Piggy's Licence application response (mobile food trailer on Scudamore Rd)

Hello,

I have been asked by my manager to provide some information about this business so it can be taken into account when assessing the new licence application.

The business has changed hands in last couple years and mobile trailer came with it, the fbo does not work on the van himself but has [REDACTED] has tried to improve things however the business has a rating of 1 due to lack of proper procedures and records as well as poor cleaning and structure.

If you would like further information please let me know.
