WARD: WESTERN

LICENSING ENFORCEMENT SUB-COMMITTEE

5 FEBRUARY 2021

---

**APPLICATION FOR A NEW STREET TRADING CONSENT**

**Mr Paul Reid**

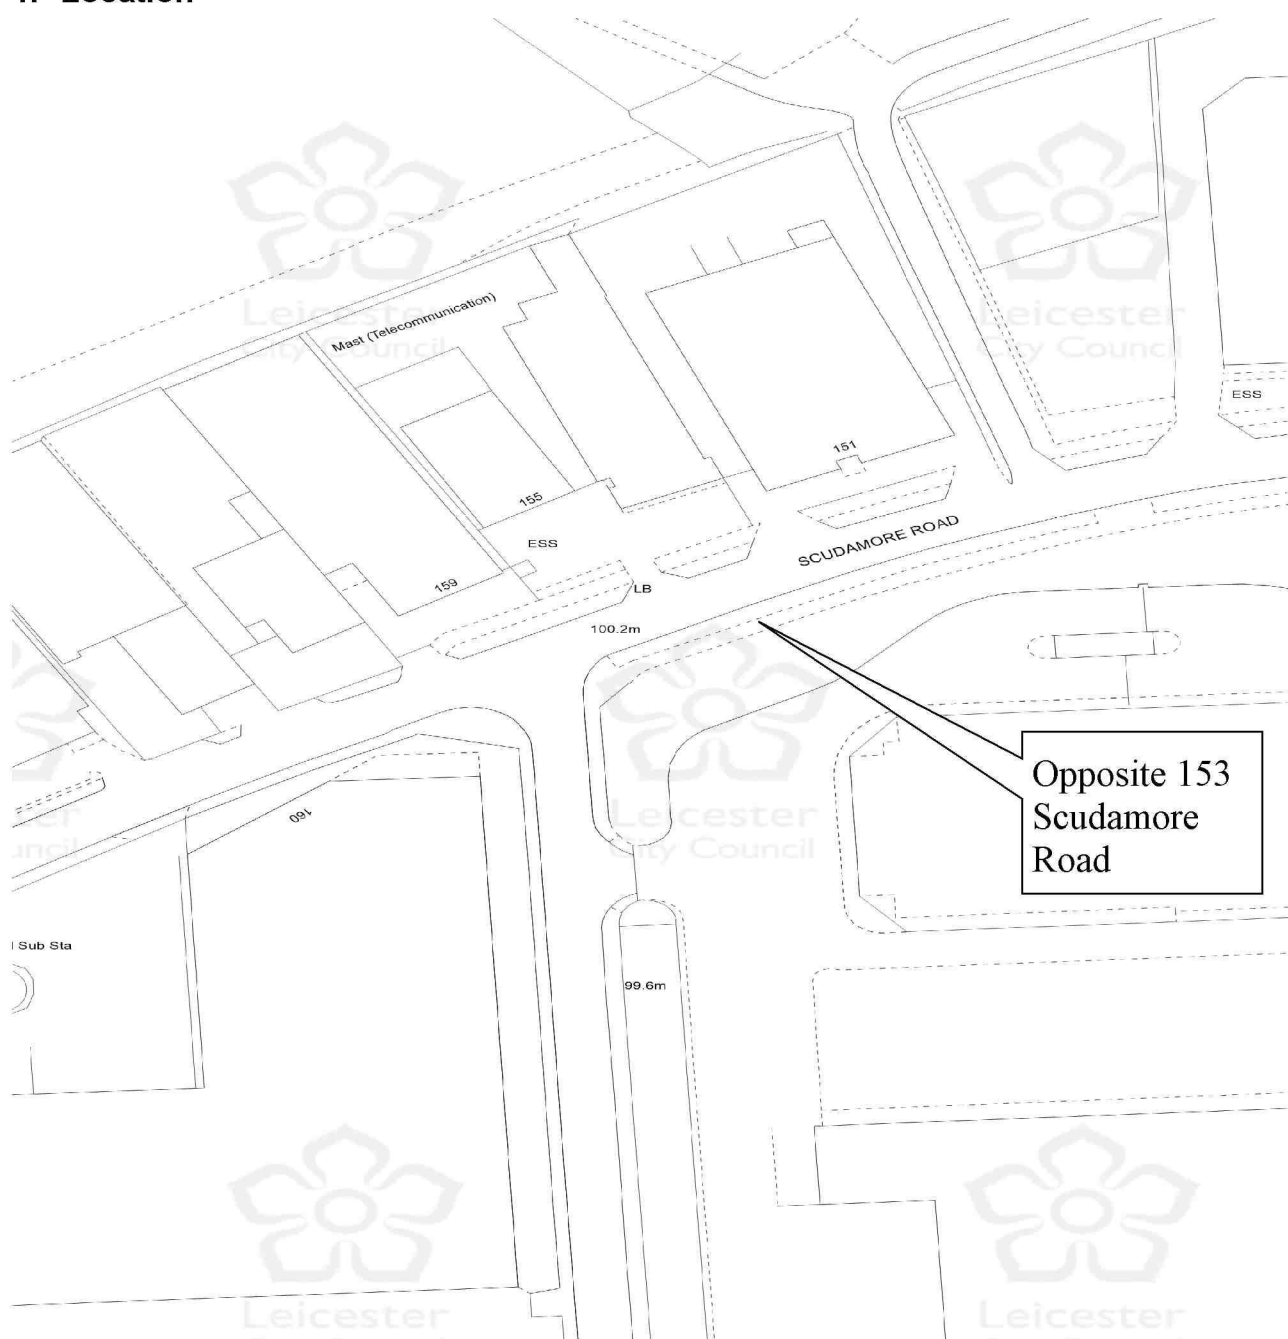

**PIGGY'S, Opposite 153 Scudamore Road, Leicester**

---

**Report of the Director of Neighbourhood and Environmental Services**

---

**1. Location**

## **2. Purpose of the Report**

To determine an application for the grant of a street trading consent under Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982, for Piggy's, opposite 153 Scudamore Road, Leicester. The applicant is Mr Paul Reid.

## **3. Options for the Sub-Committee**

The Sub-Committee may determine the application in one of the following ways:-

- (a) Grant the application, or
- (b) Refuse the application.

A licensing authority may attach such conditions as they consider reasonably necessary when granting or renewing a street trading consent. This may include conditions to prevent obstruction of the street or danger to persons using it, or nuisance or annoyance (whether to persons using the street or otherwise). The authority may at any time vary the conditions of a street trading consent.

The authority may include in a street trading consent permission for its holder to trade in a consent street

- a) from a stationary van, cart, barrow or other vehicle; or
- b) from a portable stall.

If the authority includes such a permission, it may make the consent subject to conditions

- a) as to where the holder of the street trading consent may trade by virtue of the permission, and
- b) as to the times between which or periods for which he may so trade.

A street trading consent may be granted for any period not exceeding 12 months but may be revoked at any time.

There is no right of appeal against a determination of the Licensing Authority in this instance, but as a matter of good practice Members should give reasons for their decision at the time it is announced.

## **4. Recommendation**

It is recommended that the application be refused in accordance with the City Council's street trading policy, unless Members believe there could be an exception to the policy.

## **5. Report**

Mr Paul Reid has applied for the grant of a Street trading consent for Piggy's, Scudamore Road, Leicester under schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982. A copy of the application is attached at Appendix A1.

Permit for this business had already existed under LEISTC0057 and was transferred into Mr Reid's name in October/2018; Mr Reid had been renewing the permit regularly, until this year when the permit expired and it had to be treated as a new application.

A copy of the licence is attached at Appendix A2.

### Street trading policy

The policy says that there will be a general presumption in favour of granting consents for street trading by ice cream vans and by mobile operators who remain stationary at a

particular location only long enough to serve customers at that location, provided that they conform to any code of practice issued by the City Council.

The policy provides for certain exceptions, including:

- a) The immediate vicinity of Leicester City Football Club and Leicester Tigers, for the purpose of the sale of favours and materials associated with the football clubs that are organised and controlled by those clubs.
- b) Operators selling food who wish to trade on industrial estates, where no other adequate provision is provided.
- c) Limited period consents in respect of particular types of operations in conjunction with specific events in the City.

The exception for industrial estates may be relevant to this application, although there is a fixed provision within the area.

Other applications for consents will be considered and each case will be decided on its own merits. The following matters will be taken into account:

- Public nuisance
- Crime and disorder
- Road safety
- Health and safety at schools and for their pupils
- Likely demand for goods being sold
- Availability of goods being sold in other fixed premises in the vicinity
- Objections received from nearby residents, businesses and statutory agencies

#### Representations

Details of the application have been passed to the Leicester City Council Licensing Enforcement Team, Police, Highways, Noise Control, and the Food Team. A notice has been placed at the location concerned for two weeks inviting anyone affected by the proposal to submit representations to the Licensing section.

No representations have been received from Noise Control, Police or Licensing Enforcement.

However, a representation has been received from four members of public. They are concerned over the road safety/public nuisance as there is already a burger van on 153 Scudamore Road, as well as other food outlets such as chip-shop, Chinese takeaway, and a Tesco, so they do not feel this food van is necessary in the area.

There is also a HGV driver training company in the area and they use DVSA examiners who start tests from the premises, so the exit from the company's car park will be impaired by parked cars. In addition, a large influx of HGV (very heavy vehicles) are now using the T junction of Wembley Road/Scudamore Road.

A copy of each of the four representations is attached at Appendix B1, B2, B3 and B4.

Highways have made a comment about the street trading application. A copy is attached at Appendix B5.

Food team have also made a comment about the application. A copy is attached at Appendix B6.

Licensing Enforcement Officer has made a comment about the application. A copy is attached at Appendix B7.

Licensing Enforcement Officers have taken photos of the area. They are attached at Appendix C.

## **6. Legal Implications (Including Human Rights Act)**

A licensing decision is a determination of civil rights to which Article 6 Right to a fair trial principles apply. Article 1 of the First Protocol gives the right of peaceful enjoyment of possessions, which would include a street trading consent.

Schedule 4 paragraph 7 of the Local Government (Miscellaneous Provisions) Act 1982 details the procedure to be followed for the grant and renewal of street trading consents. The council and the holder of a street trading consent must comply with the requirements of this paragraph.

Schedule 4 paragraph 8 of the Local Government (Miscellaneous Provisions) Act 1982 enables the holder of a street trading consent to employ any other person to assist in their trading without a further consent being required.

Where a consent is surrendered or revoked, the council shall remit or refund as they consider appropriate the whole or a part of any fee paid for grant or renewal of the consent as per Schedule 4 paragraph 9(5) of the Local Government (Miscellaneous Provisions) Act 1982.

A person who engages in street trading without a street trading consent, or who makes a false statement in connection with an application for a consent may be subject to prosecution, and upon conviction may be liable for a fine of up to £1,000, pursuant to Schedule 4 paragraph 10 of the Local Government (Miscellaneous Provisions) Act 1982

*John Moss, Solicitor*

## **7. Crime and Disorder**

One matter for consideration as part of the application process is the impact a successful application may have on crime and disorder.

## **8. Consultation**

Leicestershire Police  
Highways department  
Pollution Control  
Food Team  
Leicester City Council Licensing Enforcement team

## **9. Reason for Treating the Report as “Not for Publication”**

None
