Hi Team

Reviewing the licencing list I see Vitaz Superstores, 66 Cannon street has applied for a variation to their licence. My understanding is they want to extend the licence to 2am. I have received calls of concern from the residents. I would like to object to this on the following reasons.

The ward already has an issues around street drinking and this is something that has been raised to the relevant teams in the council, having a premises extending there hours we feel will only add to the problem.

Based on the feedback and complaints received from our residents we object to this on the following grounds
Noise Pollution – Residents already feel they have to deal with issues and ASB around street drinking and noise as street drinking is already seen as an area of concern in the ward and several complaints and calls are received by ward Cllrs from residents

Litter – There is an increase in alcohol litter and an extending the hours we believe will only add to this issue

Public and safety of children – Cannon street is a main route for children walking to and from school and also for elderly residents walking to the places of worships nearby to this store.

Can you please let me confirm my concerns have been put forward for consideration.

Regards
Cllr Nita Solanki

Dear Team,

I've been contacted by [REDACTED] from [REDACTED]. She would like to object to the licence extension for 66 Cannon st.

Her Reason for objecting is

- 1) Noise – she feels extending the licence will increase the noise levels and cause disruption to the residents in the area the extension will encourage people accessing alcohol and drinking into the early hours of the morning in a residential area.
- 2) Rubbish and Litter – The area has seen an increase of alcohol litter in the surrounding areas where the premises is, allowing the shop to extend their hours will add to the issue that is already on her door step
- 3) ASB – she is a member of the church nearby on Weymouth street. She has often had to clean up alcohol litter from the church grounds and also has to arrange the cleaning of individuals urinating near the church ground and neighbouring areas.

Can you please confirm that [REDACTED] objection has been forwarded on.

Thank you

Cllr Nita Solanki

Subject: FW: EXTENDED ALCOHOL HOURS FOR LICENSE APPLICATION REGISTRATION WITH LCC
Importance: High

Hello

Deborah, Nita, Padmini, Mahendra

We hope you all are well.

Dear Ladies and Gentlemen

Re: 66 CANON STREET, LEICESTER LE4 6NG
LICENSE APPLICATION to extend the sale of alcohol hours
Applicant: VIJAYKUMAR HINGU

As it has to ours, we want to bring to your attention that the applicant has requested/registered with the LCC Licensing Department to extend alcohol sale hours.

- Please do see the attachments for your verification
- Photographs are taken on Tuesday 16Th March 2021

Foremost, the issues we have in our area (Canon Street, Moira Street, Jermyn Street, Harrison Road) are alcohol and social stimuli issues.

- The extended hours will Not support the ongoings of crime and disorder, public safety, prevention of public nuisance, protection of children and single parenting from harm.

Our office is opposite the applicants business. We have seen activities from our office window and through CCTV Cameras that young and older men are drinking alcohol socially from paper-brown-bags. These are regular gathering on most evenings.

Cars pull-up late evenings to purchase alcohol, and empty cans and bottles are being dumped on the Canon Street and Harrison Road corner kerb-side road in tied-up carrier bags.

It has also brought to our attention that the shop sells tobacco and alcohol to under-age (only if they know them).

- **The residents are deeply frustrated with these ongoing's in our area.**
- **There is NO public signposting of the applicant's application.**
- **Please accept our Community Communication.**

We kindly request the LCC License Issuing Authority Department to object/deny/refuse the said applicants application in extending the sale of alcohol hours.

Thank you for reading our email, and we look forward to a favourable community request.

Kind Regards

Licensing Act 2003 - Representation in respect of an application for the variation of a premises licence

Details of person or body making representation	
Your Name:	Kennedy Nwokolo
Your Address:	Pollution Control Officer Noise and Pollution Team Phoenix House 1 King Street Leicester LE1 6RN

Details of premises representation is about	
Name of Premises:	Vitaz Superstore
Address of premises:	66 Canon Street Leicester LE4 6NG
Application No. (if known)	132885

Please tick one or more of the licensing objectives that your representation relates to:	
Prevention of crime and disorder	
Public Safety	
Prevention of public nuisance	Yes
Protection of children from harm	

Please summarise your concerns about this application:

The premises, known as Vitaz Superstore is a licensed retail store located within a residential area on Canon Street and Harrison Road, Leicester.

In the main, the area is typically a residential area, although there are few other non-residential uses scattered along the road.

The applicant has applied for the sale of alcohol 06:00 – 00:00 hours Sunday – Thursday and 06:00 – 02:00 hours Friday and Saturday.

During the daytime, road traffic, commercial activity and on-street activity would be considered to be the dominant noise source in the locality. However, later in the evening, after 23.00 hours non-residential uses are generally closed and therefore into the early hours of the morning traffic noise and street noise noticeably reduces.

There are residential properties adjoining Vitaz Superstore, on both Canon Street and Harrison Road.

I am concerned that noise nuisance from raised voices and general activities associated with a typical licenced premises would be detrimental to adjoining residential units. The adjoining residential units would be exposed to noise from the commercial unit which would be transmitted through the fabric of the building and through any open doors and windows.

Local flats and houses do not include acoustic glazing sufficient to mitigate such noise levels, nor additional ventilation that permits windows to remain closed. Consequently, during late at night and early hours of the morning, noise from raised voices, could prevent the normal and reasonable use of local properties.

The premises currently, has a premises licence to sell alcohol from 07.00 hours till 23:00 hours Monday - Sunday.

The Noise Team is concerned that increasing the opening hours of the store for the sale of alcohol will increase pedestrian and vehicular activity in the area, which will increase the likelihood of noise complaint and disturbance to local residents.

Noise from customer activity, noise from vehicles (doors slamming, stereo systems etc.) when parked outside the premises or parked on the quieter local streets throughout the night would be very difficult if not impossible for the applicant to control.

It is therefore recommended that the application for variation of the premises licence be refused as applied for due to potential noise disturbances to local residents.

Licensing Act 2003 – Representation in respect of a Variation of a Premises Licence Application

Details of person or body making representation	
Your Name:	David Braithwaite
Your Address:	Force Licensing Department, Mansfield House, 74 Belgrave Gate, Leicester LE1 3GG

Details of premises representation is about	
Name of Premises:	Vitaz Superstore
Address of premises:	66 Canon Street, Leicester. LE4 6NG
Application No. (if known)	

Please tick one or more of the licensing objectives that your representation relates to:	
Prevention of crime and disorder	<input checked="" type="checkbox"/>
Public Safety	<input checked="" type="checkbox"/>
Prevention of public nuisance	<input checked="" type="checkbox"/>
Protection of children from harm	<input type="checkbox"/>

Please summarise your concerns about this application:
<p>I write in my capacity as a licensing officer for the Leicestershire Police on the authority delegated to me by the Chief Constable.</p> <p>This is an application to vary the premises licence of Vitaz Superstore, 66 Canon Street, Leicester.</p> <p>It has been submitted by the applicant Mr Vijaykumar PRAVINBHAI who is also both the Premises Licence Holder (PLH) and the Designated Premises Supervisor (DPS).</p> <p>At present the premises has an off-sales licence and its opening hours are as follows.</p> <p>Mon to Sun – 07:00 x 23:00 hours</p>

The supply of alcohol also mirrors these timings.

The applicant has indicated on the variation application that he would like his shop to remain open during the following times.

Opening Hours

Sun to Thur – 06:00 x 00:00 hours

Fri – Sat - 06:00 x 02:00 hours

Supply of Alcohol

The sale of alcohol will also mirror these timings.

The premises itself is situated on the junction of Canon Street and Harrison Road. To either side of the premises are adjoining residential dwelling houses, there are also other commercial buildings and dwelling houses within the immediate vicinity of the said venue.

Directly opposite the shop is another convenience store (Gokani).

Leicestershire police are concerned that the present application fails to promote the following licensing objectives.

- i. Prevention of Crime and Disorder.
- ii. Public Safety.
- iii. Prevention of Public Nuisance.

The issues we have with this application are as follows.

1. Due to the close proximity the premises is to local residential dwelling houses and flats, the police are very concerned that should this establishment be permitted to remain open into the early hours of the morning with their proposed operating hours, this could lead to unacceptable noise levels that will be generated by their customers, especially due to the fact that some of them could be already intoxicated and just looking for a premises where they can top up and continue drinking, also if this was the case then there would be an increased chance of bouts of disorder breaking out.
2. The area already suffers from a problem with street drinkers and the associated issues that they are connected to, such as noise, litter and Anti-Social Behaviour (ASB). The last thing we want is people purchasing alcohol at all hours, then congregating in the area causing problems for the local community.
3. I have spoken to the applicant's advisor and he indicated that the applicant is now trying to capture passing trade from people who are employed at the nearby businesses once they finish work. If this was to happen, this too could cause issues for the local community as the proposed customers will more than likely be pulling up in vehicles and just leaving them near the road junction coupled with the fact that there would also be noise generated from these vehicles such as the opening and closing of doors and the sound of engines being started.

Due to the concerns highlighted above, Leicestershire Police would request that in order to promote the licensing objectives of Prevention Of Crime And Disorder, Public Safety and Prevention Of Public Nuisance that this application be refused.

The following will be submitted in due course.

1. Various pictures of the premises and surrounding area (Annex A)
2. PC [REDACTED] statement (Annex B)
3. List of reported incidents within the vicinity of the premises (Annex C)

I am the above named Police Officer and I am currently a serving Neighbourhood Officer based at Belgrave Neighbourhood Centre, Rothley Street, Leicester. I provide this statement in relation to a recent License Application made by a male I know to be VIJAYKUMAR PRAVINBHAI HINGU where he wishes to extend the current hours to sell alcohol. I make this statement to object to the proposal where I believe he wishes to sell alcohol on Friday and Saturday nights through to 0200 am. I object on the grounds that this premises is in the heart of a residential area and on a road that is well used by both motorists and pedestrians. Because of the location of the shop I believe that these proposed hours of operation would not conform with the current Licensing objectives in particular the obligation to prevent Crime and Disorder, and prevent Nuisance. I recently researched through Police systems incidents reported to Police relating to crime and disorder, Anti-Social Behaviour and public safety concerns, and in a 12 month period within a distance of no more than 500 meters from this location, 66 Canon Street, Leicester numerous incidents were recorded and I list them below.

Please note several incidents relating to drinking in the street past the 1100pm time and in to the early hours of the morning. Additionally I would also add that I visited the shop at approximately 1400 pm on Wednesday the 24th of March 2021 and spoke to Sandip Mohanial who was serving customers. As I entered the store I noticed him serving and engaging with a customer who was not wearing a face mask. I challenged the customer and Mr Mohanial re the current legislation on the wearing of face masks inside Off Licenses. Mr Mohanial had little English speaking abilities however I then spoke to the License Holder later that afternoon and expressed my concerns that staff members were not enforcing the legislation and consequently not adhering to the objective, to have consideration for Public Safety. The LH was warned about the none compliance and this was recorded on Police systems, and that if further breaches were seen then Penalty Notices would be issued.

In summary I am concerned that this LH wants the facility to serve alcohol until the early hours of the morning and do not accept his proposal. I believe the impact on the local community would not be a positive one and in fact there would be an increase on demand for the Police dues to the increase in reports of Anti-Social behaviour that would inevitably be a result of longer hours of operation and ability to sell alcohol. The Belgrave area has always been linked to a culture of local males drinking in the street and with this habit comes other issues, such as noise, and urinating in the street causing alarm to concerned residents. In particular there is an aging population in the area and I believe that there will be further disruption to their lives.
