The areas in the current programme are as follows; Clarendon Park, Aylestone Park, Woodgate, Tudor Road, St Matthews and Stoneygate (which includes the requested area). It is expected that the consultation on residents only parking in Stoneygate will be undertaken in 2022/23 financial year. Rowsley Street, Linton Street, Sawley Street are already highlighted and included as part of a future Stoneygate scheme. The 8 petitioners whose addresses are outside the proposed scheme boundary will be considered and placed on the database of requests for residents' parking and will be used in the decision making process to determine which areas have significant parking problems and where a consultation process will likely result in a positive outcome for residents' parking.
