

## Appendix 2 Post Consultation Comms Plan

### Project details

<b>Project number</b>	TBC
<b>Project name</b>	<b>Element 3 / Top up Funding</b>
<b>Project Sponsor</b>	Sophie Maltby
<b>Project Lead</b>	Jabeen Layne

<b>Version</b>	<b>Date</b>	<b>Author</b>	<b>Amendment Details</b>
V 0.1	21/12/2021	JL	

### Purpose, aims and objectives

To have a clear plan for communicating to all stakeholders the recommended option for changes to the additional SEND top-up funding for pupils in September 2022.

The communications plan will:

- Share the analysis and recommendations from the mainstream SEND funding review consultation
- Inform stakeholders of the outcomes of the Executive Decision and the agreed changes to the additional SEND funding model
- Promote collaboration between the stakeholder groups and the local authority to ensure mainstream settings understand the impacts of the new funding model and are supported through the change.
- Support schools to plan for the implementation of the new model and minimise the impact of the change on SEND pupils.
- Share key timelines of the different phases of project delivery.

## Communication risks and issues

### Risks

- Some mainstream settings may be resistant to change and would not accept the new proposals if their school is adversely affected
- We may be subject to judicial review and for example in Waltham Forest, parents sought a judicial review which found in favour of the Local Authority.
- For those schools whose funding changes adversely, further support may be required through the transition period
- Applications for statutory assessments before the changes are implemented may increase
- Mainstream settings may start excluding children from schools on the basis that they can't support them
- Transitional costs increase in the short terms as the new process is implemented
- Relationships with some schools may be impacted if we do not manage the changes effectively
- Implementation timescales are based on a financial year and not the academic year although this should be mitigated by a careful transitional process.

### Issues

- Schools already under significant pressures due to the impact of Covid and increasing numbers of SEND pupils in mainstream settings. Changes to the High Needs Budget places additional pressure upon them.

## Key messages:

- **Transition:** Support mechanisms will be in place to help schools manage the transition to the new funding model
- A pupil-centred approach to make sure children with SEND support receive well planned targeted interventions
- This proposal will ensure the best possible outcomes for our children by ensuring that there is equality and parity of funding for all pupils in mainstream provision
- The implementation of the new model is about utilising the existing High Needs Block funding more effectively to meet needs and improve outcomes for SEND pupils.
- Confirm key timelines for implementation

## Communication methods:

Outlined below mixture of meetings, presentations, email communications and formal consultation with quantitative and qualitative questions to inform recommendations

Stakeholders – to be contact during different phases of the project

Audience	Channel	Approach	Date
Lead Member	LMB and planned meetings	<ul style="list-style-type: none"> <li>• Initial and ongoing progress checks</li> <li>• Formal report with analysis from the consultation and agreed approach to the new funding model</li> <li>• Executive Briefing for use by Lead Member</li> <li>• Update report following the Executive decision to describe any changes to the implementation</li> </ul>	<p>Ongoing Feb 2022</p> <p>Mar 2022</p> <p>Apr 2022</p>
