Neighbourhood Services Performance Update  
Lee Warner, Head of Neighbourhood Services

# Neighbourhood Services Overview

The Council's Neighbourhood Services section delivers community and library services to people who live and work in Leicester City.

- A network of 27 facilities, including 9 Multi-Service centres:
- 16 library service points
- 15 community centres offering room hire
- Ward & Community Engagement Team

# Neighbourhood Services: strategic context

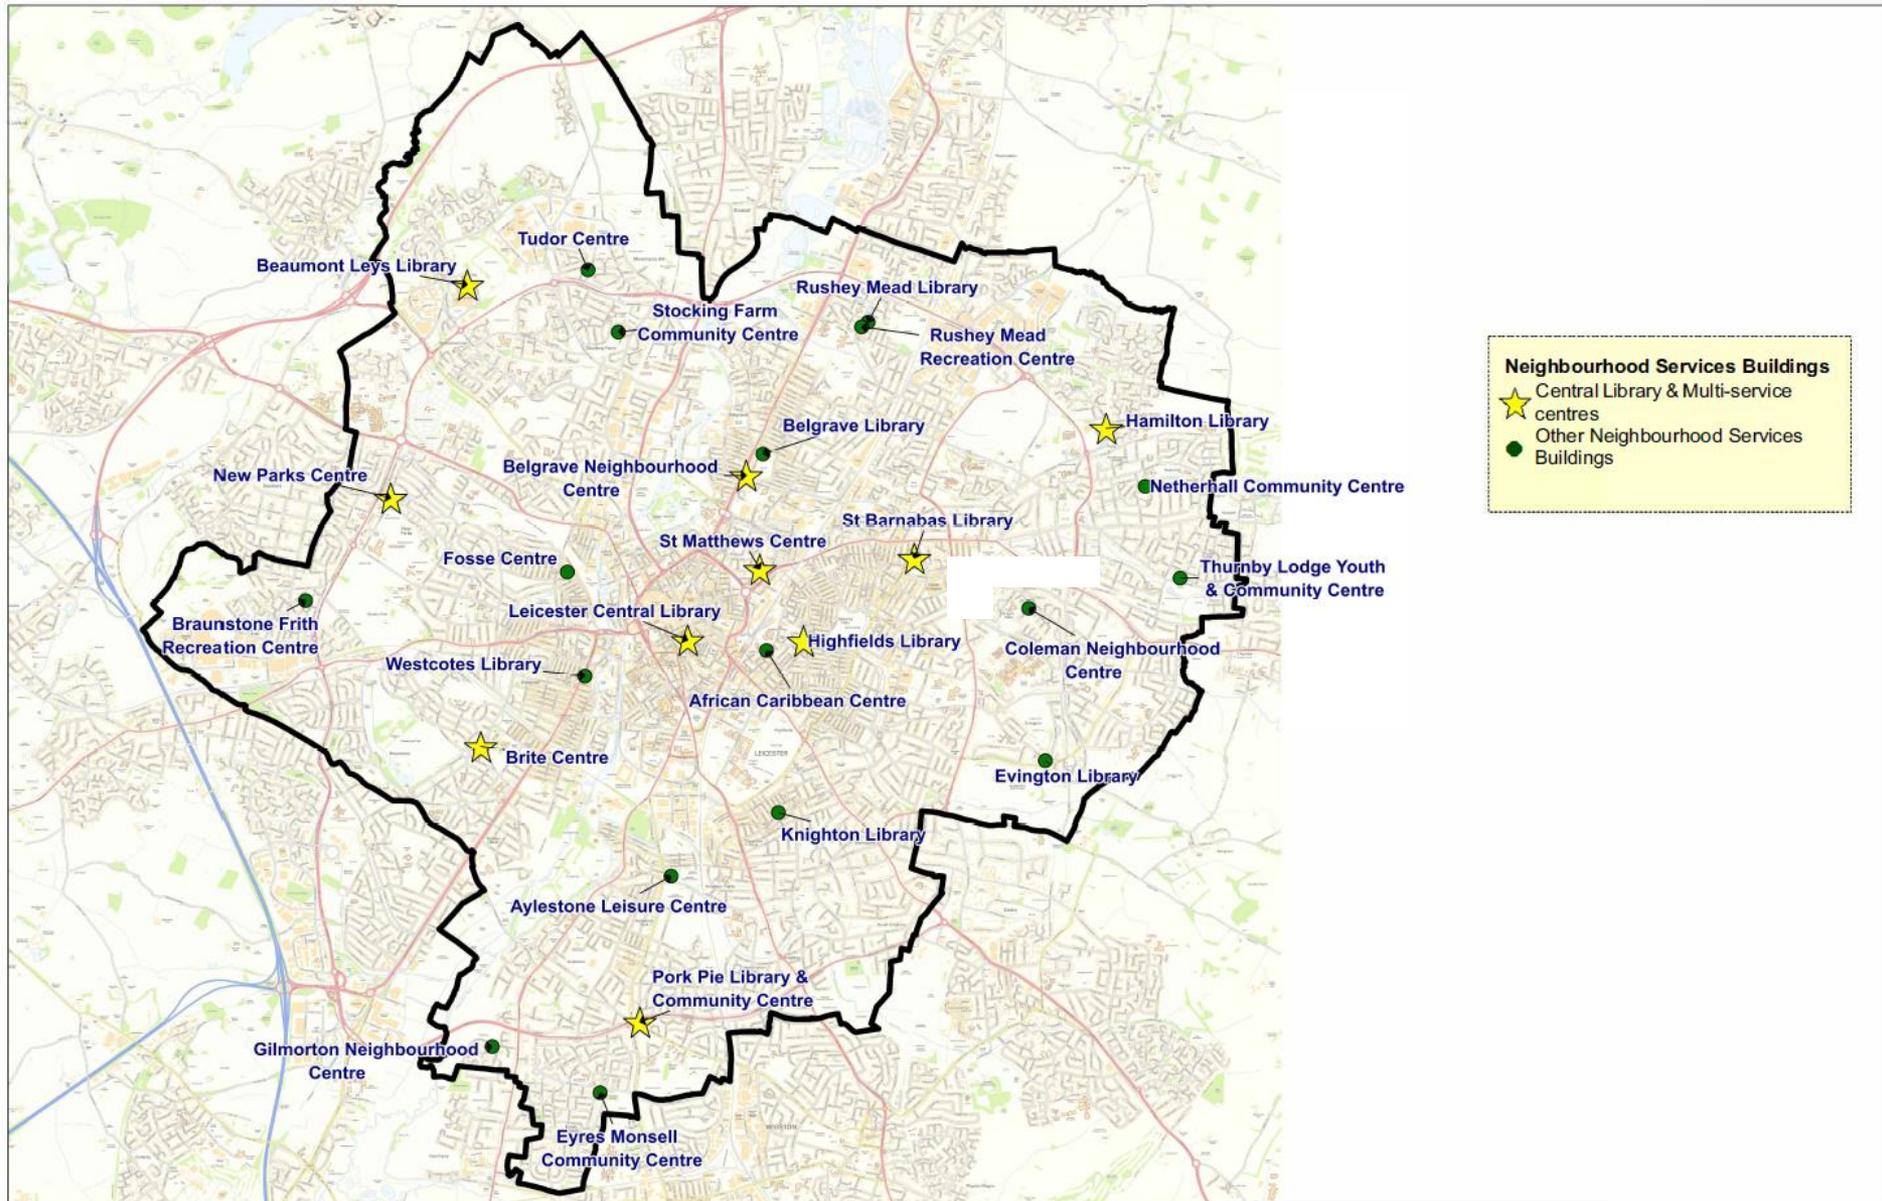

Neighbourhood Services are committed to the Universal Offers developed by Libraries Connected and supported by Arts Council England:

- **Health & Wellbeing** – Goal: “To offer a range of creative and social activities which engage and connect individuals and communities, combat loneliness and improve wellbeing.”
- **Information & Digital** – Goal: “To ensure local communities have access to quality information and digital services, to learn new skills and to feel safe online”
- **Culture & Creativity** – Goal: “To enable new creative skills to flourish and enrich the lives of children and adults by providing arts and cultural experiences in local settings. To celebrate diversity, promote inclusivity, value identity and contribute to an active local cultural economy.”
- **Reading** - Goal: “To encourage individuals of all ages to read for pleasure and purpose to increase their understanding of the world, stretch their imaginations and think differently.”

Neighbourhood Services also commit to:

- **The Children’s Promise**

# Performance – Platinum Jubilee Programme May 2022

# Neighbourhood Services Platinum Jubilee Programme

- 14 events held in Neighbourhood Services facilities during Jubilee week 30 May – 5 June
- Key programme to help reconnect local communities and re-engage community centre and library customers
- Events grant funded through Samworth Foundation and Ward Community Funding
- Family shows commissioned from Spark Arts funded by Arts Council England
- Ward funded community jubilee events supported

# Platinum Jubilee Programme

African Caribbean Centre celebration event Saturday 4<sup>th</sup> June  
Crafts, activities, dance and performance – 380 attendees during the day

# Platinum Jubilee Programme

Belgrave Neighbourhood Centre celebration event Saturday 4<sup>th</sup> June  
Fully booked event

# Platinum Jubilee – Evaluation

- Events were fully attended (around 3,500 attendees over 14 sites)
- An evaluation was undertaken in partnership with Public Health who analysed the returns
- Participants were asked to score confidence attending public venues before and after the events
- Of the 379 replies from people attending events there was an improved sense of confidence on a self-score from an average of 2.2/5 to 4.1/5

# Performance - Overview

**Active Library Users** (used library in last 12 months)

March 2020 - 63,504 (pre-pandemic)

March 2021 - 23,334 (closed or restricted & online)

March 2022 – 37,834 (closed or restricted & online)

June 2022 – 46,711 (new users increasing monthly)

# Performance - Overview

## Community Centre visits (monthly footfall)

- Varies from Centre to Centre
- Monthly footfall for reopened centres is currently at 77% of pre-pandemic levels (May 2022)

# Performance – Trends

- The Platinum Jubilee evaluation shows there is still a hesitancy but also a strong desire to return and reconnect (particularly amongst older and more vulnerable customers)
- The majority of hiring community groups have returned, however:
  - Some groups have decided not to continue
  - A few groups have decided to continue meeting online
  - New groups have started at a number of centres

# Performance - trends

- The large increase in e-Book borrowing has continued after reopening
- There is good and continued take-up of the new DWP job coach sessions at 8 libraries
- There is a renewed appetite for community events as evidenced by the Platinum Jubilee programme, and by responses to the Customer Survey
- There has been a strong return to libraries by children and young families. This year's summer reading challenge has already attracted high take up.
- Schools very keen to engage with reading programmes
- Levels of return differ from area to area but are increasing on a monthly basis
