Application No. (If known):

Please tick one or more of the licensing objectives that your representation relates to:
Public Safety, Prevention of Public Nuisance

Please summarise your concerns about this application: Harm to public
Harm to residents
Car Accidents
Congestion
Fights due to drug and alcohol abuse

Community Disagreements

Please give further details of WHY you believe this application will have an adverse effect on the licensing objectives : There is already 3 off licence shops on the street and in the residential area and if one more opens there will be the problem of congestion and may lead to more car accidents harming the residents living there and general public. The number of cars in the area will also increase and could lead to residents not being able to park their cars in front of their houses. The area may become more prone to fights due to the increasing amount of people under consumption and this would disturb residents living there. The hours of the premise is 7.00 AM to 11.00 PM and this would cause noise pollution and disrupt the local people during the night when they are trying to sleep.

Are there any changes that could be made to the application that would reduce or remove your concerns?: No
