

Licensing Act 2003 - Representation in respect of Premises Licence

Details of person or body making representation	
Your Name:	
Your Address:	

Details of premises representation is about	
Name of Premises:	Salvador Deli
Address of premises:	50 Queens Road Leicester
Application No. (if known)	

Please tick one or more of the licensing objectives that your representation relates to:	
Prevention of crime and disorder	<input checked="" type="checkbox"/> yes
Public Safety	<input checked="" type="checkbox"/> yes
Prevention of public nuisance	<input checked="" type="checkbox"/> yes
Protection of children from harm	<input type="checkbox"/> yes

Please summarise your concerns about this application:
<ul style="list-style-type: none"> • Noise – This is a residential area which over the last several years has become much noisier and congested in the evenings owing to the number of bars which have sprung up in Queens Rd. Creating another cafe/bar 3 doors away from my house which would allow people to sit outside and consume their food and alcohol cannot be justified. (The original submission was for a deli not a café bar). The resulting noise from customers conversations and revelry which echo around this terraced road will further control which rooms I can use in my house and when I am allowed to sleep! There may also be an increase in rowdy behaviour which is noisy and sometimes frightening. Drinking at tables put out before 8.00am and taking in at 11.00pm will create another daily noise nuisance. While alcohol under the proposals will not be sold after 8.00pm, what conditions will prevent people sitting at the tables outside until 11.00pm drinking alcohol? • Parking – It is already a nightmare trying to park near your house in this area in the evenings and I often find myself walking from streets away when I have parked my car. Double yellow lines put down in this area for emergency service access are regularly parked on. Another café/bar will bring more

vehicles into the area and inconvenience residents further. (In January I was rushed into hospital on a Friday evening. The ambulance had to double park in Queens Rd because all spaces by the pavement, including double yellow lines were taken up by bar/restaurant customers' vehicles.)

- **Another alcohol outlet** – How many bars do we need in Queens Rd? What do the police think about these proposals? This is not the city centre and doesn't require "regeneration" to make it another "no go" area like the city centre in the evenings. This is a residential area. Unlike the city centre it is not an area I can avoid!
- **Intimidation**- In the summer walking past "Bar Dos" 52 Queens Rd can be an intimidating experience when the windows are fully open and customers under the influence of alcohol are leering out of them or making comments as pedestrians walk by. Under the new proposal this situation will be exacerbated by a significant number of people under the influence of alcohol. It will also affect people (children, young women, OAPs, people with disabilities) getting off the 44 bus who will be confronted by the assembled customers outside "Salvador Deli" and of course passengers waiting for the bus may be made to feel uncomfortable.
- **Planning Permission Conditions** – According to the conditions the designated area for on licence sales does not tally with these latest proposals. Surely the licensed area should be that restricted to that allowed by planning. I am concerned also by the plans for a street café to late hours, which I feel indicates an intention to change the nature of the premises. I ask for a condition that 'on' sales of alcohol should only be drunk indoors, similar to a condition applied to Babelas on Queens Rd in recognition of the problems that occur locally when alcohol is drunk on the street.
- **Video**- conditions should be applied to control noise before 9.00am and after 6.00pm

Please give further details of why you believe this application will have an adverse effect on the licensing objectives
