Please tick one or more of the licensing objectives that your representation relates to:
 Prevention of Public Nuisance

Please summarise your concerns about this application: Loud noise from music and customers, rowdy intoxicated behaviour, possible safety issues

Please give further details of WHY you believe this application will have an adverse effect on the licensing objectives : The application for Baton Rouge to stay open much later than surrounding businesses like Athena and The Exchange. This needs to be reviewed accordingly as the other places are but open as late due to noise and disruption to residents.

Are there any changes that could be made to the application that would reduce or remove your concerns?: Yes

Please explain what changes you think would help:Weekday opening times could be changed to 11pm and weekends to midnight or 01:00.

If appropriate, would you be willing to take part in mediation to try to reach an agreed outcome?: Yes
