**Application No. (If known):**

**Please tick one or more of the licensing objectives that your representation relates to:**

Prevention of Public Nuisance

**Please summarise your concerns about this application:** I am concerned that late license for entertainment until midnight on Friday and Saturday, and drinking until 2am will cause unacceptable noise nuisance to residents of Queens Building. I am concerned there seems no provision for us to object to, or ask for adjustment to, open air/outdoors activity on "special

occasions".

**Please give further details of WHY you believe this application will have an adverse effect on the licensing objectives :** If large numbers of drinkers are congregating on and around Orton Square, attracted by their late alcohol license, they wont necessarily disperse immediately they leave the premises. This could cause unacceptable levels of noise, and littering/nuisance, in the square.

**Are there any changes that could be made to the application that would reduce or remove your concerns?:** Yes

**Please explain what changes you think would help:**Reduce licensing hours to midnight, not 2am

**If appropriate, would you be willing to take part in mediation to try to reach an agreed outcome?:** No
