**a) General – all four licensing objectives (b, c, d and e) (please read guidance note 11)**

Continue to promote safe environment , we have been awarded best bar none credit for great standards , and will continue to drive a safer city , we will operate safely and securely .

We also don't and wont do bottomless brunch , which I think should be banned but that my opinion as they contradict the licencing objectives

**b) The prevention of crime and disorder**

remove unwanted people from area , keep all patrons safe, safe rooms, posters and procedures , staff training and refresh , report and log other items , keep records and we have updated CCTV already , work closely with officials have now been credited with best bar none

**c) Public safety**

water always available no charge , challenge 25 and ask angela campaigns , walk away . Refusal of service , be a point of safety , good practises ,

**d) The prevention of public nuisance**

same as reasons above , plus regular checks, staff training and eliminate problems effectively with good MGMT , regular meetings to check our efficiency, strong standards

**e) The protection of children from harm**

We have safe areas if we believe anything is not quite right we also do not allow kids in after a certain time, and all children safe with parents . Carers , staff training and policies
