Please summarise your concerns about this application:
I write in my capacity as licensing officer for Leicestershire Police, on the authority delegated to me by the Chief Constable.
My representation to this temporary event notice is based upon one of the four licensing objectives, as per the Licensing Act 2003, namely public safety.
The applicant is Mr Arkate, who is also the premises designated premises supervisor.

The applicant has applied to operate on Saturday 1st February 2025 from 7pm until 4am on Sunday 2nd February 2025.

The application states one hundred and fifty persons will be in attendance. However, a temporary event notice permits up to 499 persons at one time, including all customers and staff.

On 3rd January 2025, Leicestershire Fire & Rescue Service (LFRS) conducted a pre-arranged visit to the premises and identified several fire safety concerns.

LFRS have limited the premises capacity to no more than sixty persons due to the number/position of the existing fire exits.

Therefore, there is a public safety/fire safety risk due to the number of proposed attendee's, which is significantly higher than the recommended limit.

Therefore, Leicestershire Police respectfully requests this temporary event notice is refused as it fails to promote one of four licensing objectives.
