4. Representations

- 4.1 A representation was received on 10 February 2025 from the Licensing Enforcement team. The representation relates to the prevention of crime and disorder, the prevention of public nuisance, public safety and the protection of children from harm. The representee is concerned that the conditions offered by applicant are not sufficient to uphold the licensing objectives and they have not taken into account that the premises is within an Area of Special Interest and Consultation as set out in the current Statement of Licensing Policy. A copy of the representation is attached at Appendix B1.
- 4.2 A representation was received on 12 February 2025 from the Noise team. The representation relates to the prevention of public nuisance. The representee is concerned that planning permission has been granted for the floors above the premises to be converted into residential properties and the sound proofing may not be adequate to prevent nuisance occurring. A copy of the representation is attached at Appendix B2.

5. Conditions

- 5.1 The conditions that are consistent with the application and the representations are attached at Appendix C.

- 5.2 The Live Music Act 2012 and the Legislative Reform (Entertainment Licensing) Order 2014 amended the Licensing Act 2003 in relation to the provision of regulated entertainment. Certain entertainment does not require a licence subject to audience limits, between 08.00 and 23.00 hours each day. These exemptions may affect the application under consideration because conditions may not be imposed at this stage to control live or recorded music that is unregulated. However, if problems do occur as a result of that entertainment then conditions may be imposed to control such music in the future after a formal review.
