Subject: Morrison's licensing application

Dear Lynsay Coupe

I object to any extension of licensing hours for Morrison's Store at 170 - 178 Evington Road. These proposed hours are excessive. There are too many licensed premises on this road already, and it has led to a number of problems of behaviour and extremely bad parking problems that endanger members of the public.

I also see no reason to extend their hours for serving late night refreshments - there is an excess of such establishments in Evington Road already.

Your sincerely
