Operating Schedule – Premises Licence

Acting on behalf of the premises Licence Holder, we propose that all previously attached conditions are to be removed in their entirety. The following conditions shall form the new operating schedule for the premises licence:

Crime and Disorder

The licence holder shall retain all receipts, invoices, and delivery notes relating to the purchase of alcohol stocked or sold on the premises for a minimum period of 12 months. These documents must clearly show the date of purchase, the name and address of the supplier, and the quantity and description of the alcohol purchased. Such records shall be made available for inspection by authorised officers of the licensing authority, Trading Standards, or the police upon request

CCTV will be installed, operated, and fully maintained at all times when licensable activities take place; images will be retained for at least 28 days and be produced on request to any Responsible Authority.

Warning notices will be displayed in public areas of the premises, advising that CCTV is in operation.

If the CCTV hard drive needs to be replaced then the old or previous one will be kept on the premises for a minimum of 28 days and made immediately available to any of the Responsible Authorities on request.

There will be someone on site while the premises is carrying out licensable activity who is able to operate the CCTV and download recordings for the Responsible Authorities.

A refusals log will be maintained at all times and will be checked and signed off by the DPS at regular intervals. This will be made available for inspection by any Responsible Authority, upon reasonable request.

An incident log will be maintained at all times and will be checked and signed off by the DPS at regular intervals. This will be made available for inspection by any Responsible Authority, upon reasonable request.

Customers carrying open or sealed bottles or glasses will not be admitted to enter the premises at any time.

The business will comply in full with the guidance provided by Trading Standards, as outlined in the Business Companion resources.

Public safety

The premises licence holder or DPS will carry out pre-opening checks of the premises, to ensure that there are no risks to patrons and that all safety precautions are in place.

All staff training in relation to the Licensing Act 2003 and Challenge 25 Policy will be signed by both the Trainer/DPS and Trainee.

Members of staff will not be allowed to work 'front of house' without this full documented training. (Containing not least Licensing Act Challenge 25, Refusals policy, Forms of acceptable ID, Fire safety)

The licence holder would ensure that all staff are aware of their social and legal obligations and their responsibilities regarding the sales of alcohol.

All training records will be made immediately available to any of the Responsible Authorities upon request. The Premises Licence Holder will ensure that all staff receive appropriate staff training.

All safety certificates and inspection reports would be kept on site and made available to officers of relevant statutory bodies.

The prevention of public nuisance

As the Premises Licence Holder, I will ensure that the disturbance caused to the general public is kept to a minimum, and signage will be placed prominently throughout the premises, requesting that customers to respect our neighbours, when arriving/departing the premises.

The premises staff will ensure that the frontage of the premises are checked regularly for litter and rubbish, clearing any debris away.

No rubbish, including bottles, shall be removed, or placed in outside areas between 2300hours and 0800hours.

The protection of children from harm

A "Challenge 25" policy will be in place and only recognised forms of ID will be accepted.

- PASS accredited ID.
- Passport
- Photo driving licence

➤ Military ID

Prominent signage will be on display showing that the policy is in place.

Premises Age Verification Policy

This policy applies in relation to the sale or supply of alcohol on the following premises

Name of premises:

Mini Off Licence

Address of premises:

220 Narborough Road
Leicester. LE3 2AN

Name of premises licence holder:

Mohammed Mohamedamini

Name of designated premises supervisor:

Mohammed Mohamedamini

1. The premises licence holder must ensure that an age verification policy applies to the premises in relation to the sale or supply of alcohol. This must as a minimum require individuals who appear to the responsible person to be under the age of 25 years of age to produce on request, before being served alcohol, identification bearing their photograph, date of birth, and a holographic mark. This can include, for example:

- A photo card driving licence
- A passport
- A proof of age card bearing the PASS hologram

2. **Responsible Persons**

For the purposes of this policy the following are considered to be responsible persons:

- the holder of the premises licence;
- the designated premises supervisor;
- a person aged 18 or over who is authorised to allow the sale or supply of alcohol by an under 18; or
- a member or officer of a club present on the club premises in a capacity which enables him or her to prevent the supply in question.

ANNEX A: Further guidance

- By selling alcohol to a person who is under 18 it is **YOU** that commits the offence as well as the customer.
 - Persistently selling of alcohol to children is defined as selling alcohol on the same premises to a person who is under 18 on two or more occasions within a single three month period. Currently there are three avenues by which action can be taken against those found to be persistently selling alcohol to children.
1. The licence holder, if prosecuted, can plead not guilty and go to court and if found guilty can be given a fine of up to £10,000 with up to 3 months suspension of the alcohol licence.
 2. As an alternative to prosecution, the police or trading standards officers can give the licence holder the option to voluntarily accept a 48 hour closure notice rather than face criminal liability.
 3. The police can make a representation to the relevant licensing authority to ask them to review the licence. This can also happen in addition to options 1 and 2.

The premises licence holder must ensure that staff (in particular staff who are involved in the supply of alcohol) are made aware of the existence and content of the age verification policy applied by the premises.
