- B.1 The consultation outcomes from the Stage 1 Consultation are shown in the following table: -

<u>STAGE 1 CONSULTATIONS</u>	
Local Ward Councillors (Saffron Ward)	
Councillor Stephen Bonham	<p>“Thanks for the information.</p> <p>Apologies for missing the deadline. I welcome the scheme but wonder if there are additional places where traffic calming measures such as speed cushions might be appropriate. Are two sufficient on Wigley Road , there is a long section at the Southern end without any in the proposals and this is a cut through along which vehicles sometimes speed? Residents assert that Parkstone is used as a cut through by speeding vehicles and that a wall by a junction has been hit on more than one occasion. Could this also be considered? “</p>
