Prevention of public nuisance	Yes
Protection of children from harm	No

Please summarise your concerns about this application:
<p>Narborough Road is a busy street with many similar hot takeaway premises in the vicinity. There are residential properties directly behind with a flat on the first floor.</p> <p>The main concerns with this application are regarding the opening times and the provision of late-night refreshment which have been requested until 05:00 AM on all days. Although Narborough Road is a busy business area, it does quieten down into the early hours of the morning. The main sources of noise would be the operation of the ventilation flue, people noise and delivery vehicles, potentially impacting the properties behind as well as the flat above. Also, there is potential for delivery vehicles coming and going to disrupt the flat above.</p> <p>I have consulted the licensing database and this shows that the premises previously operated until 04:00 on all days including late night refreshment. There were no known issues with the premises in terms of noise/odour.</p>

I object to the licence as it stands due to the above however after talking to the applicant, he is willing to agree to operate until 04:00 and attach the below conditions:

- No waste or recyclable materials, including bottles, shall be moved removed from or placed in outside areas between 23:00 and 07:30.
- The licence holder must ensure all noise from delivery drivers and vehicles is kept to a minimum when approaching and leaving the premise.
