	Supported Living	All Providers
Outstanding	1	6.7%
Good	12	80.0%
Requires Improvement	1	6.7%
Inadequate	0	0.0%
Not yet inspected	1	6.7%
Insufficient evidence to rate	0	0.0%
Inspected but not rated	0	0.0%

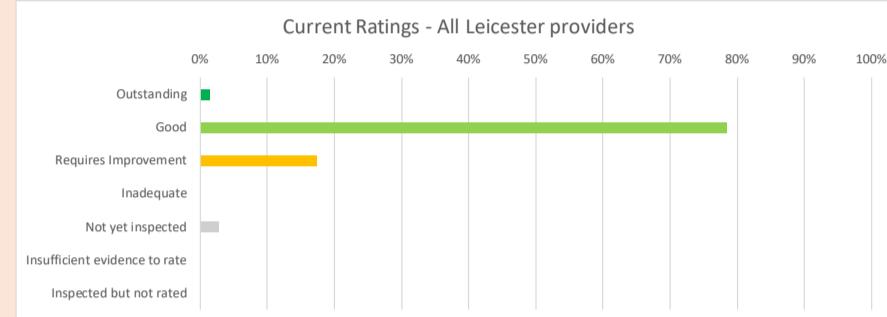

The chart below is for all CQC registered providers in the region, the table is for those providers we contract with. As such there are (a small) number of inadequate providers in Leicester, but not amongst those we contract with.

Latest CQC Ratings for all Leicester provider types

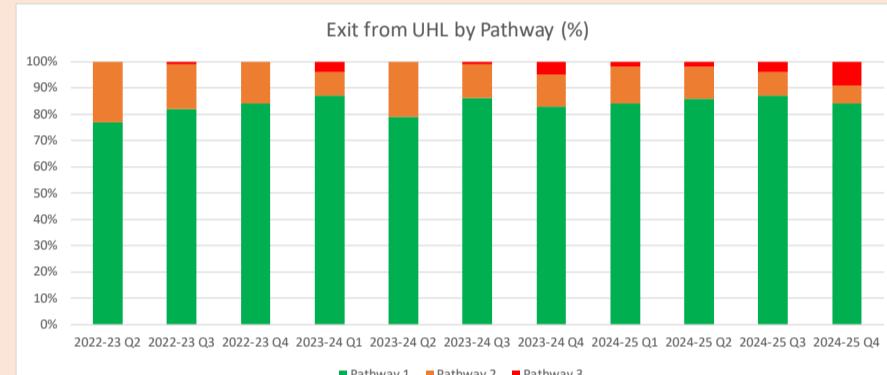

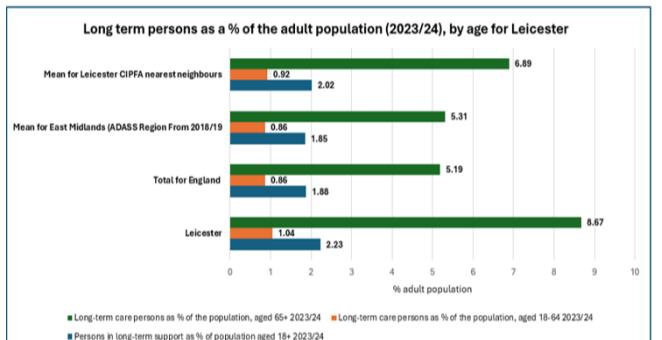

Current CQC ratings across the East Midlands (Percentages)

CQC ratings as of 31 March 2025. This is for all providers, not just contracted providers (Contracted providers perform better than non-contracted providers).

Showing the high numbers of people supported in Leicester

Showing the time-series of our spend against others (based on total population, as per previous chart) expressed as a ranking
