**Please state the ground(s) for review**

This review application relates to a licensed premises – Victoria News & Booze  
81 Howard Road, Leicester, LE2 1XP.

The premises operates as a Grocers and General Stores which operates between 8:00am – 11:00pm Monday to Saturday and 10:00am to 10:00pm on a Sunday.

The Premises Licence, **LEIPRM1129** was granted on **09/12/2009**. The current Premises Licence holder and Designated Premises Supervisor is Ms Paramjeet KAUR, **LEIPRS2099**.

At approximately **11.05am on Thursday 1<sup>st</sup> May 2025**, Trading Standards received a call from Ms Nicola MARSH, Licensing Enforcement Officer with regard to a licencing compliance check carried out at Victoria News & Booze, 81 Howard Road, Leicester, LE2 1XP. Nicola explained that upon inspection it was believed that non-compliant vapes were being sold on the premises and she asked if Trading Standards could attend at the premises to check whether the vapes were compliant or not.

The licensing compliance check revealed the following issues: (see Fig 1.)

- 1. The licence holder shall ensure that a summary of the licence is displayed prominently at the premises.**
  - There was no licence on display at the premises.
- 2. Mr Pavandeep Takhar shall not be involved in the management of the premises or the sale of the alcohol in the premises.**

- Sandeep Takhar who was present at the time of the inspection, stated that Pavandeep Takhar continued to work at the premises. This is a breach of a condition on your licence which was attached to the licence after a review hearing in 2009.
- It was determined that these matters must cease with immediate effect.

**3. Ms Paramjeet KAUR had moved address and had not provided updated details to LCC Licensing Team.**

Ms Nicola MARSH sent a letter to Ms Paramjeet KAUR following the review that covered these issues: (see Fig 1.)

**On Thursday 1<sup>st</sup> May 2025 at 12.07pm**, Mr Noel CAZLEY, Trading Standards Officer, visited Victoria News & Booze, 81 Howard Road, Leicester, LE2 1XP for a compliance check. An inspection was carried out under statutory powers in the Consumer Rights Act 2015 Schedule 5.

Behind the till and on the shelves **non-compliant goods were found for sale**, (see Fig 2) which were:

1. **Non-compliant Vapes x 719 units**
2. **Non-compliant Cigarettes x 24 packs**
3. **Non-compliant Cigars x 10 units**
4. **Non-compliant Hand Rolling Tobacco x 2 packs**
5. **Non-compliant Blunt Wraps x 49 units**

**The detriment is estimated to be £11, 273.40 with £292.19 duty unpaid.**

The offer of the goods detailed above breach one or more of the provisions under the following legislation;

**Digital Markets, Competition and Consumers Act 2024 - Schedule 20 (Commercial practices which are in all circumstances considered unfair), Paragraph 9**, ‘Stating or otherwise creating the impression that a product can be legally sold, when it cannot’.

**The Licensing Act 2003 Section 144 (1)** Keeping of Smuggled Goods: it is an offence if a person ‘knowingly’ keeps, or allows to be kept, on any relevant premises, any goods which have been imported without payment of duty.

**Tobacco and Related Products Regulations 2016 Part 2 (5) (1)** No person may produce or supply a tobacco product for smoking unless it complies with this regulation.

**The Standardised Packaging of Tobacco Products Regulations 2015 Section 15 (1)** A person who produces or supplies a tobacco product in breach of any provision of these Regulations is guilty of an offence.

**Tobacco Products Duty Act 1979. Section 8 (G) and (H):** Possession and Sale of unmarked tobacco and the Use of Premises for Sale of Unmarked Tobacco respectively.

By virtue of the **Licensing Act 2003, Schedule 4, Paragraph 24, Under the Criminal Attempts Act 1981**, it is an offence to attempt to commit a relevant offence for personal licence holders; Ms Paramjeet KAUR is the personal licence holder in this instance, as such commits this offence.

I am as such of the view that the premises licence holder, Ms Paramjeet KAUR, has committed these offences.

These goods were subsequently seized from the premises and the inspection paperwork was signed by the store assistant and left on the premises for the attention of Ms Paramjeet KAUR, as she was not on the premises at the time of the inspection.

No contact or communication has been received from Ms Paramjeet KAUR following the visit by Trading Standards on **Thursday 1<sup>st</sup> May 2025**.

**On Tuesday 20<sup>th</sup> May 2025** an intelligence check was conducted on the Citizens Advice Bureau Portal (CAB) & Council's Uniform Database to see if there had been any complaints or reports logged for Victoria News & Booze, 81 Howard Road, Leicester, LE2 1XP. The results are follows:

**CAB from 2021 to 2022**

- One relates to buying and selling stolen alcohol
- One relates to sales of single cigarettes and selling alcohol from multipacks as single items for more money

**Uniform**

- One from 2020 relating to overcharging
- One from 2024 relating to underage sales of cigarettes, vapes and alcohol
- Letter sent from Trading Standards on 15/10/2024 in relation to underage sales (**see Fig 3**)

There was a non-domestic rates account, diary note record for **17<sup>th</sup> March 2021** stating that Mrs KAUR no longer works in the shop and its run by her husband and son. (**see Fig 4**)

**On Saturday 24<sup>th</sup> May 2025** the Leicestershire Police carried out a test purchasing operation in relation to underage sales of Tobacco and Vape products. During this operation, Police Constable 1400 Richard WAGG was with a Police Cadet aged 16. Victoria News & Booze, 81 Howard Road, Leicester, LE2 1XP was visited and they failed the test purchase as at 12.42pm the Police Cadet was able to purchase a strawberry flavoured Vape at the cost of £5.00.

In the light of the above facts and matters, Leicester City Council has no faith that Ms Paramjeet KAUR has the ability to uphold the licensing objectives or adhere to the licence conditions.

We therefore request a review of the premises licence as the licence holder is failing to uphold three of the licensing objectives:

- ***The prevention of crime and disorder***
- ***Public Safety***
- ***The protection of children from harm***

**Please provide as much information as possible to support the application (please read guidance note 3)**

I have noted above the various offences that relate to the non-compliant vapes and tobacco related products that have been seized. In addition to this it is important to note the following.

The vapes that have been seized from this premises are **non-notified** with the Medicines and Healthcare products Regulatory Agency (MHRA), the governing body sponsored by the Department of Health and Social Care whose role it is amongst other things are to ensure that medicines and medical devices work and are acceptably safe for use by the public. As a consequence these vapes are deemed an unsafe product and cannot be legally sold within the United Kingdom.

For non-compliant cigarettes and rolling tobacco if they are counterfeit or plain whites we can never know exactly what ingredients/contaminants are in them and when tested often show levels of Tar & Carbon Monoxide to be in excess of permitted levels often by more than 80%. Furthermore when these are manufactured, it is unlikely that safety standards (including the required testing) or a standardised manufacturing processes are adhered to. These present a greater cancer health risks due to the unknown contaminants and quantities. Further it is unlikely that the cigarettes will comply with the burn safety tests. Their sale or offer for sale is illegal.

Ms Paramjeet KAUR of Victoria News & Booze, 81 Howard Road, Leicester, LE2 1XP is in breach of the **Digital Markets, Competition and Consumers Act 2024 - Schedule 20 (Commercial practices which are in all circumstances considered unfair), Paragraph 9**, ‘Stating or otherwise creating the impression that a product can be legally sold, when it cannot’.

In summary, this is the breakdown for the overall non-compliant goods seized from Victoria News & Booze, 81 Howard Road, Leicester, LE2 1XP on **1<sup>st</sup> May 2025**.

<b>Seized Items &amp; Cost (Victoria News &amp; Booze)</b>	<b>Duty Tax Evasion</b>

2. 2 packets of Tobacco (£50.00)	£38.60

Dear Sir/Madam

**The Tobacco and Related Products 2016**  
**Children and Young Persons (Protection from Tobacco) Act 1991**

I am writing to you today to explain your obligations if you sell goods that have an 'age restriction.' Under UK law, there are minimum ages you must be before you can purchase certain goods. There are too many to list here; but I have included a table below, which you can print off for you or your staff. Further, this Service has received a complaint that your business is selling illicit tobacco and non-compliant vapes, and further, that these are also being sold to children under the age of 18 years old. It is an offence to sell non-notified vapes and illicit tobacco to any persons in the UK. It is a further offence, to sell these to children under the age of 18 years old.

Trading Standards, along with the Police, enforce under-age sales. We will focus our resources on the most prevalent issue, sometimes working with other Trading Standards departments regionally or nationally. This approach allows us to focus our limited resources effectively and efficiently.

We do this by building intelligence led information obtained from members of the public, which may result in Trading Standards undertaking Test Purchase operations with children under the age of 18 (or 16 if we are testing petrol stations). Any sales are dealt with using various tools which are at our disposal. This may be a Warning Letter, Simple Caution or we may instigate legal proceedings to the Court. The outcome depends on numerous factors, such as, previous sales, previous advice had been given, remorsefulness from the seller/business.

This statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it, anything which I know to be false, or do not believe to be true.

I am Police Constable 1400 Richard WAGG of Leicestershire Police. I was on duty on Saturday 24th May 2025 with a police cadet aged 16 years to conduct a test purchasing operation in relation to underage sales of Tobacco and VAPE products.

During the operation, I visited Victoria News and Booze, Howard Road Leicester with the police cadet at approximately 12:42 hours.

The cadet entered the store and asked the till operative for a strawberry flavoured VAPE, where he was served by a male. I described him as an Asian male, approximately 20 years, approximately 5ft6in, chubby build with black hair and a beard.

The cadet purchased the item for £5 and left the store. The purchased item is exhibited as RW4 and the receipt was asked for, but the till operative stated he could not provide one.

The details of the male who sold the VAPE was taken and I confirm he is Gopiragu NUKATHOTI [REDACTED] of [REDACTED] Leicester.

All purchased items have been booked into the police property systems for destruction.
