Hello

Regarding the premises licence application for Showtime Events' Leicester Balloon Festival on Victoria Park 19th to 21st June, I'd like to voice my support.

It sounds like a fun event for the city with an educational element. Using the central location of Victoria Park makes it accessible to more people with better public transport links. The proposal seems very in line with other events that are held on the park which I have always found to be very quickly put up and taken down with minimal disruption to the users of the park.

Subject: Victoria park balloon festival

Hello,

I am writing to say I am overall in favour of the festival taking place on Victoria Park.
Providing the parking and people are managed properly I think it will be a great asset.

Best wishes
