#### 4. Representations

4.1 A representation was received on the 28<sup>th</sup> April from Leicestershire Police. It relates to the prevention of crime and disorder, public safety and the protection of children from harm. Leicestershire Police are concerned that the application in its current format would undermine three of the four licensing objectives if granted. The representation does not seek a refusal of the application as Leicestershire Police have been in consultation with the applicant to promote the licensing objectives.

An agreement was reached with the applicant – therefore, Leicestershire Police feel that the agreed conditions deem the Hearing unnecessary. A copy of the Representation/Agreement is attached at Appendix B1.

4.2 A representation was received on the 29<sup>th</sup> April from a member of the public. It relates to prevention of public nuisance, and public safety. The representee has concerns due to the time that the event is due to finish there will be problems with noise and is concerned for the safety of those using the park. A Copy of the representation is attached at Appendix B2.

4.3 A representation was received on the 29<sup>th</sup> April from Licensing Enforcement. It relates to the prevention of crime and disorder, public safety, prevention of public nuisance

and the protection of children from harm. Licensing Enforcement are concerned that the application in its current format would undermine all the four licensing objectives if granted. The representation does not seek a refusal of the application; they have attempted to contact the applicant to seek an agreement to promote the licensing objectives, to date, no agreement has been made. A copy of the representation is attached at Appendix B3.

## 5. Conditions

- 5.1 The conditions that are consistent with the application and the representations are attached at Appendix C.
- 5.2 The Live Music Act 2012 and the Legislative Reform (Entertainment Licensing) Order 2014 amended the Licensing Act 2003 in relation to the provision of regulated entertainment. Certain entertainment does not require a licence subject to audience limits, between 08.00 and 23.00 hours each day. These exemptions may affect the application under consideration because conditions may not be imposed at this stage to control live or recorded music that is unregulated. However, if problems do occur as a result of that entertainment then conditions may be imposed to control such music in the future after a formal review.
