No actions from previous meeting for Housing.			

3. Key Issues and Hot Spot Areas

Highlight current or emerging local issues for councilors' awareness or input.

- N/A – nothing has been brought to our attention recently.

4. Planned Service Works

Location / Area	Type of Work	Timescale	Impact / Notes
Tackle illegal dumping in the area. Issues can be repeat offenders.	We are working closely with the City Wardens to tackle this behavior and speak to the people responsible for dumping the rubbish. We have written to residents and made them aware that fines will be issued if evidence is found.	Ongoing	
Overgrown bushes / shrubs / green spaces / weeding	We are in contact with Leicester to Work to see when they are next due in the area. Officers have been in the area making a list of LCC Housing Land that needs attention in the order of priority. Note: not all green spaces in the area are LCC owned.	Ongoing	
Misuse of blue recycling bins	Residents are filling the recycling bins with household rubbish, and		Impact is bins not being emptied, Estate Wardens having to

	therefore the recycling crew are refusing to empty the bins.		identify and make special trips to empty these bins for normal service to resume. We do not have a Warden at present due to recruitment.

5. Current Developments

Summarize ongoing initiatives or service improvements relevant to the ward.

- There are 2 car parking spaces in Buscot Close and Attingham Close. There were garages there historically which have been knocked down. This has left uneven surfaces. We are attempting to level these off, but cars are constantly parking over the area. Housing Officer to work with Police to pencil in a date, ensure space is clear for work to commence.
- Attingham Close and Holkham Avenue – 2 bin stores to be erected in due course to have a designated place for the bins to be stored. Work is due to start shortly.

6. Service Changes

Note any organizational, operational, or policy changes that may affect residents or councilors.

- NHO Nazir Khalifa, who is responsible for a small number of properties in the area, is due to move patch in August, which will mean a replacement will come in for him. The main NHO who covers most of the area Amrish Taank will remain.

7. Consultations / Community Engagement

Highlight any live or upcoming consultations, public meetings, or community engagement activity.

- We have recently completed door knocks and sent letters to residents regarding the parking spaces mentioned above.

8. Additional Notes / Councilor Requests

Councilors have complained regarding weeding near the Rushey Mead Library, we have requested Leicester 2 Work to complete this as soon as they have availability.
