Subject: 2B Uppingham Road - Dosti Bar and Restaurant objection

Dear Leicester City Council,

I write to strongly object to the application of the Bar and Restaurant on 2B Uppingham Road, Leicester.

This area has seen a huge surge in off-licences. This is having a detrimental effect on the community. We have constant issues with late night noise and disturbances through to widespread beer cans and bottles littering the area.

The area is already in an appalling and deprived state. Granting a license for a bar to promote further drinking and be open so late will further degrade the area.

Groups of men are gathered around street corners drinking all day. This is causing intimidation and fear among residents. The immediate areas around the off licenses are filthy and disgusting to walk past. We do not need any more alcohol related outlets. We need something conducive to improving the neighbourhood.

I would be grateful if you would reject the application.

Thank you.
