Details of premises representation is about

Name of Premises:	Secret Garden
Address of premises:	66 Braunstone Gate Leicester LE3 5LG
Application No. (if known)	LEIPRM1427

Please tick one or more of the licensing objectives that your representation relates to:

Prevention of crime and disorder	☐ No
Public Safety	☐ No
Prevention of public nuisance	☐ Yes
Protection of children from harm	☐ No

Please summarise your concerns about this application:

The immediate area is a mixed use of mainly licensed premises including bars, clubs and food outlets.

There are several existing residential properties above, adjoining and nearby this existing ground floor bar/restaurant.

Noise and Pollution Control Team (NPCT) have previously received noise complaints regarding the premises.

The proposed revised hours for the performance of live or recorded amplified music and/or voice indoors, are Monday-Sunday 1100-0430 Hrs.

During the daytime, road traffic, commercial activity and on-street activity would probably be the dominant noise sources in the locality. However, later in the evening

and into the early hours of the morning traffic noise and street noise noticeably reduces.

I am concerned that allowing the premises to operate such long hours will increase the likelihood of noise complaints and cause disturbance to residents by customers visiting the premises throughout the night and particularly into the early hours of the morning. There is also the likelihood of noise disturbance from deliveries and staff activities.

I will attempt to contact the applicant regarding my concerns and to discuss any possible noise limiting arrangements.

Please give further details of why you believe this application will have an adverse effect on the licensing objectives.

Occupants of adjoining and nearby residential properties could be adversely affected by noise from activity inside the premises, particularly when windows and doors are open.

Occupants of adjoining and nearby residential properties could be adversely affected by noise from patrons queuing/gathering outside the front of the premises on Braunstone Gate, including after closing time.

Occupants of adjoining and nearby residential properties could be adversely affected by noise from deliveries and staff activities.
