

EXECUTIVE DECISION REPORT

PROPOSED 20MPH SPEED LIMIT – SAFFRON ESTATE **STAGE 2 CONSULTATIONS**

- D.1 The outcomes from the Stage 2 Consultation, together with responses as appropriate, are shown below.

<u>STAGE 2 CONSULTATIONS</u>	
Frontages	
Residents	See Paragraphs D.2 – D.4.

- D.2 1147 letters, plans and response forms were delivered to all properties within the proposed 20mph Speed Limit for the Saffron Estate. 126 replies were received which represents an 11% response rate.

110 (87%) were in favour of the 20mph Speed Limit and 16 (13%) were against. This shows considerable public support for the introduction of the 20mph Speed Limit.

110 (87%) were in favour of the traffic calming and 16 (13%) were against. This shows considerable public support for the introduction of the traffic calming.

- D.3 There were 0 responses from outside the consultation area received through consultation on the City Council's website.

A detailed breakdown of responses is shown as Appendix E.

- D.4 Issues raised during the Consultation Process

Four requests were made for extra traffic calming along Meadow Gardens and Stanton Row, due to concerns with the displacement of traffic. This was agreed with, and extra traffic calming has been proposed in Appendix B.

Three requests were made for extra traffic calming between the raised table on The Fairway and Saffron Lane. This was due to the fact that vehicles pick up speed travelling down the Hill and there have been several instances of non-injury collisions. This was agreed with and an extra set of speed cushions have also been proposed.

There was a request to add another pedestrian refuge island outside of the shops on The Fairway. Unfortunately, due to the loss of on-street parking, as well as the right turn lane, this was not deemed possible.
