We are looking to set up Community basketball fitness & fun sessions in the, Freeman Ward. Our aims are to engage the local young people & community in participating in these sessions. We are looking to local schools & community groups in setting weekly sessions at Southfield Drive Sports Centre & Samworth Academy. The young people will learn new skills meet new people and make new friends and learn about healthy lifestyle through the play of basketball. This will also benefit the young people from the area by building their self esteem and confidence and at the same time get the young people off the streets and into a positive activity. Our qualified coaches will teach the young people the fundamental elements of the game shooting, dribbling, ball handling & general team play. We also look to put on mini games so the young people can work on skills they are learning throughout the sessions. All our coaches will be CRB checked & qualified, We will also be looking to work with volunteers and young leaders from the area. Monies will be spent on balls, bibs and equipments etc. Local residents will also benefit

from the sessions which will start in December 2009/ January 2010. We will monitor these sessions very carefully and we will also ask the young people to complete monitoring forms, evaluation papers and questionnaires, this will enable us to judge the success of the sessions.
