It is important that your answer to this question is clear, because we will only pay the costs when we can see evidence that the outcomes you describe here have been achieved. You can provide further details in your supporting information if you want to.

Recently we have noticed a high increase in the amount of dog fouling complaints we have received. Tenants are claiming that as there are no dog waste bins on the St Peters estate dog owners are not going to pick up after their dogs. Therefore we are proposing 3 bins be installed on the St Peters estate try and encourage dog owners to clean up after their dogs.

Cost of a dog bin: £363.40 x 3	£1090.20	£1090.20
Total		£1090.20

8. Have you tried to get funding for this project from anywhere else, either in the Council or from another organisation? If so, please give details

We have tried to get funding through city cleansing, they have advised me as they will be located within the estate we would have to get money from our own budgets to get fund this. The emptying of the dog bins would cost £444.00 per year but we have managed to make an arrangement with Cleansing Services and this charge will not be made if the bins are installed in certain locations on the estate.
