This proposal is to carry out consultation, design and production of large signage and graffiti events at Braunstone Street Sports. We are looking to develop signage for the area designed by local children and teenagers that would be installed upon the railings around the main plaza area.

We are also looking to develop community graffiti events in the plaza area, facilitated by a local artist who specialises in “skate” graffiti. These events would take place on the main bridge parapets, which have been designed for graffiti and around the main plaza area.

The consultation and event facilitation will be carried out by the B-Connected (BCA) Neighbourhood Support Team.
