It is important that your answer to this question is clear, because we will only pay the costs when we can see evidence that the outcomes you describe here have been achieved. You can provide further details in your supporting information if you want to.

This bid for £500 is being made to each of the four wards that fall within the policing area of Welford Road Local Policing Unit. The bid is for funding to provide the Police Neighbourhood Action Team with a vehicle on an ad hoc as required basis that is not part of the livered highly visible police vehicle fleet. This vehicle would be hired on a month by month basis.

The Neighbourhood Action Team (NAT) consists of a sergeant and five constables who provide support to the policing of the LPU. They are also responsible for gathering evidence to secure convictions and warrants. The NAT provide a uniformed support to the local community with issues such as anti social behaviour, crime, crime reduction and drug related activities.

They also work in plain clothes whilst gathering evidence and observing premises or suspected offenders. It is this work that the use of a non police vehicle would both greatly enhance and support. The team has had for some years the benefit of such a vehicle that, as it does not form part of the police

vehicle fleet, has always been funded by sponsorship, grants or the like. Last year, 2009, this vehicle was funded by the Beat Officer of the Year Fund that the LPU received due to PC Harvey Watson being the overall winner.

Officers from NAT will be attending, if you allow, each ward meeting to present their bid in a more visual form and to explain some of the work that they do and what the plain vehicle would be used for.

Details would be kept of use and activities at a ward level as well as the area level and the team will report regularly to both the ward meetings and the Joint Action Group.

I have included a brief, rough record of recent work of the team to give just some indication of the level of operation.

“RECORD OF NAT ACTIVITIES LAST 6 MONTHS”

134 arrests

28 entries into premises

Recovered property includes drugs, alcohol, electrical goods, plants etc to a value of several hundred thousand pounds

3120 hours of ASB work and patrol to reduce ASB
