Leicester City Council's general policy is to NOT grant permission for street trading, particularly in the vicinity of schools. However, each case will be considered on its own merits. The policy does allow for certain exceptions, and sets out matters that the council will take account of when determining an application.

Please read the council's policy before completing the next section.

Please explain how your business may impact on the matters below

Public nuisance

I have never received complaints from local residents about public nuisance & see no reason for my business to cause any nuisance.

Crime and disorder

My business has never been directly involved in any crime or disorder.

Road safety

The mobile vehicle is parked in a lay-by which cars are free to park and is away from obstructing any road traffic.

Health & safety at schools and for their pupils

N/A.

Likely demand for goods being sold

very likely.

Availability of goods being sold in other fixed premises in the vicinity

NONE.

REASONS

Please give the reasons why you believe your application should be granted as an exception to the council's general policy on street trading

I have been in business for well over 15 yrs & have always provided a good service. The business is well known among the community and have alot of regular customers.. My business had never been involved in any trouble or nuisance & I believe that my food will be missed among my regular's.

DECLARATION

I declare that the information given above is true to the best of my knowledge, and that I will comply with the terms and conditions of any street trading consent granted by Leicester City Council as a result of this application. I am over 17 years of age.
