4. Short description of proposal. Please include information on **now the money will be spent, who will benefit, when they will benefit, and how we will know when the proposal has been successful**

It is important that your answer to this question is clear, because we will only pay the costs when we can see evidence that the outcomes you describe here have been achieved. You can provide further details in your supporting information if you want to.

Basically the whole project has been tendered (**see separate sheet 1** for total Project). Our Building Consultant (Messrs Wood & Weir) has included approximately £10,500 for the Drop off point, Ramp and new Multi-access toilet at the front of the building as detailed below:

- The provision of a vehicle drop-off point at the front of the premises to ensure safe access from the dual-carriageway.
- A ramp with handrails from the drop off point to the entrance doors.
- A multi-access toilet will be sited at the front of the premises to the latest standards of design.
- All internal corridors and doorways will be accessible to people using wheelchairs and walking aids.

Where possible, note will be taken in the overall design for use by people who have sight and hearing impairments.

The access to the Multi-purpose Hall used as the Sanctuary/ Chapel will be greatly improved with a central, glass, double door.

The work will ensure that access to the improved and enlarged premises will be available to existing users and open the use of the premises to other community groups who are not able to be catered for with the present building constraints regarding access.

We anticipate that work will start on site in the first quarter of 2010 for completion within 6 months.

5. Have you provided supporting information?

 /

Tick if yes

6. What is the total cost to the Community Meeting?

7. How have you estimated or calculated the cost? Please show each item of expenditure and say whether it is an estimate or an actual cost.
