It is important that your answer to this question is clear, because we will only pay the costs when we can see evidence that the outcomes you describe here have been achieved. You can provide further details in your supporting information if you want to.

Pendlebury Drive Residents Association are looking to fund 2 x 3 hr sessions run by Streetvibe bus (a non profit organisation) for youths on the estate and the surrounding area. Two sessions were previously held in the christmas holiday and these were well attended. The sessions will run when we can confirm funding as the Association does not have the required funding, hopefully late summer/ Oct half term. As so many youths came from the surrounding area, it is providing a service that is needed and supporting community cohesion. It is hoped that more young people will get actively involved in the area with this participation with Streetvibe.
