FORMAL OBJECTION

Notice Of Application For A Variation Of Existing Licence

Name of Applicant: - Mr Ercan Dogan

Address of Premises; - Fizz Pop 151 Queens Road Leicester LE2
3FL

along with other residents wish to record my formal objections to the proposed variation of licence which Mr Ercan Dogan of "Fizz Pop" 151 Queens rd Leicester has made for the same premises.

There is no reason whatsoever to grant such a variation to sell alcohol between 7am to 4 am as this will clearly lead to anti-social behavior / alcohol fuelled violence in the locality and cause parking / litter problems.

Granting a licence to serve alcohol until 4am is asking for problems, therefore, I strongly hope this variation will be declined without delay. I understand Castle Ward Councillors and Leicestershire Police have similar concerns.

I look forward to confirmation ^{about that} my objection has been formally recorded by the city council's licencing department. Please acknowledge receipt of this objection.

Thank you.
