Funding Available for 2010/11

- £700,000 for reactive repairs (dangerous defects).
- £207,300 from the Dept for Transport – Winter Damage Emergency Funding.
- £540,000 LTP Funding Re-Allocation
- £525,000 Additional City Council Funding this year.

- Looking to spend approx £300,000 in Stoneygate Ward on the 8 worst streets (condition 5) & Evington Drive (condition 4).

Programme Issues

- Need to determine best treatment option
- Dates not yet confirmed - but need to do this year
- Works will need road closures
- Consultation process with Members & Residents
- 6-8 week lead in period
- Approximately one street treated per week
- Short term disruption for local residents
- Surface dressing will need to be done next Summer
