**Please state the ground(s) for review** (please read guidance note 1)

I write in my capacity as the Licensing Officer for Leicestershire Police on the authority delegated to me by the Chief Officer of Police.

The premises in question has held a premises licence under this management since July 2011. It currently had a licence to operate licensable activities until 6am everyday. The premises licence consists of numerous licensing conditions which are there to ensure the safety of the public and to uphold the licensing objectives.

The premises is located within the city centre in an area which is surrounded mainly by retail premises and only two other alcohol licensed premises.

The basis of the review is that we do not believe that the licence objectives are being upheld in any way shape or form and that the public are at risk when attending the premises.

The evidence that is being supplied by Leicestershire Police and partners is listed below:

- 1) PC Mavani will in his submission outline the numerous incidents and crimes that are attributed to the premises and also the submission and details of an action plan that the premises were issued as an interim step to try and reduce the incidents and crime.
- 2) The operational Inspectors for the city in their submission outline the effect that the premises has on the city centre and also the seriousness and high number of incidents in and around the location.

3) CCTV operators in their submission outline the concerns about the premises and the levels of violence at the premises.

4) The City Senior Officer outlines in their submission the direct impact the premises has on resources and what this does to the impression of the city to the public and fear of crime.

5) PC Mavani will also submit footage of samples of the types of incidents that are referred to.

6) Leicester City Council Licensing Manager will in her submission state that on visits that the licensing objectives have been breached and not complied with and that the management have been dishonest in their explanations.

7) On Friday 8<sup>th</sup> November 2013, an alcohol test purchase was conducted with a 16 year old boy at the venue and was sold alcohol by a member of staff.

Having looked at all the evidence from all parties, I have no confidence under any circumstances that this venue can promote the licensing objectives in any way. They have been advised, given an action plan which has not been fully complied with and this is the only option that we are left with.

Without wishing to fetter the discretion of the committee, we cannot see how any additional conditions however stringent, or the removal of the DPS would enable the management of this premise to uphold the licensing objectives in any way. We cannot see any other option then to recommend a revocation of the licence.
