| This premises is within the night time economy areas and is situated between two very busy areas of the economy and will attract through traffic. |

It is also in a fairly isolated area which may leave it vulnerable and we believe that along with the conditions that have been offered up in the operating schedule and the tightening of wording will assist in promoting the licensing objectives.

We believe that adding the below conditions along with those attached to the operating schedule will assist in upholding the licensing objectives:

- 1) All licensable activities and closing time will be reduced to 23:00hrs on Sundays
- 2) The licence holder will employ SIA registered security to deal with any likely contingency
- 3) The licence holder will ensure that CCTV is installed following advice from the Leicestershire Police, recording during all hours licensable activities are allowed and maintained in accordance with the Information Commissioner's CCTV Code of Practice.
- 4) CCTV will be kept for a minimum of 28 days and made available upon request to responsible authorities.
- 5) The licence holder will be a member of the local City Watch Scheme.
