Please describe the nature of the event below. (Please read note 5)

The event is aimed at the older crowd 35/40 years plus. This event is part of an overall bigger event were an artist is being flown in to the Uk from the USA. The main part of the event is at a Venue that is licensed already and will be the night part of the event starting at 2300 until 0600. The event is a Dj event and this licence is needed for the day part of the event which is outdoors and is an integral part of the culture of this type of event. This type of event would normally be held in London or Birmingham or Nottingham as it takes quite an investment to put on, which makes it good for the city that will bringing people to Leicester with Hotels, restaurants etc all benefitting.

Noise team > I have thought about the impact music would have outdoors in the city centre and have firstly decided to promote the event on a Sunday when business in the local area will be shut. In regards to local residents, there is a block of flats that overlooks the site and I have taken this into account by only applying for music until 2130 hours. Also the music will be kept at a reasonable level to have a minimum impact. I am confident as a one off event and with the early finish you will support this application.
