AUDIT & RISK COMMITTEE

18th July 2014

STATUTORY STATEMENT OF ACCOUNTS 2013/14

REPORT OF THE DIRECTOR OF FINANCE

1. INTRODUCTION

- 1.1 The Accounts and Audit (England) Regulations 2011 require that the Council prepare its draft Statement of Accounts by the 30th June following the end of the financial year, and that these are certified by the s151 officer (Director of Finance).
- 1.2 The committee will be invited to approve the issue of the audited final Statement of Accounts for the 2013/14 year on or before the 29th September 2014. Meanwhile, the unaudited accounts are attached to this report and are being brought to the Committee for information.

2. RECOMMENDATIONS

- 2.1 The Audit & Risk Committee is recommended to note the draft accounts for the year ended 31st March 2014 as submitted for audit.

3. SUMMARY

- 3.1 The statutory accounts are prepared in accordance with the Code of Practice on Local Authority Accounting in the UK. Separate management accounts are presented to the Executive and to the Overview Select Committee, which set out the revenue and capital outturn for the authority. The financial position of the authority is presented in a different way in the statement of accounts. The outturn reports focus on the in-year financial performance in a format consistent with the Council's budgets, while the statement of accounts shows the in-year performance in a standard format adopted by all local authorities, including a balance sheet showing the underlying financial position. Despite the wide variations in the way the position is presented, the key point is that both the outturn reports and the accounts are consistent.

3.2 There have been no substantial changes in the accounting standards or the Council's accounting policies during the 2013/14 financial year, although it should be noted there were some changes to the requirements for accounting for defined benefit pension schemes which required restating some comparative 2012/13 figures.

3.3 The core financial statements are:

- Movement in reserves statement

This shows the movement in the year on the different reserves held by the authority. This statement distinguishes between "usable reserves" which can be used to fund expenditure or reduce local taxation and "unusable reserves" which are effectively accounting entries and not actual cash.

- Comprehensive income and expenditure statement

This shows the Council's actual performance for the year in accordance with the Code of Practice. This means that the accounts are prepared on a different basis than that used to set the Council's budget and raise Council Tax. There are a number of statutory adjustments that are made to the surplus or deficit shown on this statement to arrive at the balance on the General Fund. The level of uncommitted general balances at 31st March 2014 was £24.6m, as set out in the 2013/14 revenue outturn report.

- Balance sheet

The Balance Sheet shows the net worth of the Council in terms of its assets and liabilities. It shows the net value of the organisation including the balances and reserves, its long term indebtedness, together with fixed and net current assets employed in its operations. The 2013/14 Balance Sheet shows the Council has net assets of £1.2bn

- Cash flow statement

This statement summarises the movements in cash holdings during the year in common with the presentation required for commercial companies, although the statement is of less significance in the Local Authority context.

3.4 The accounts have now been formally submitted for audit to KPMG LLP, our appointed external auditors. The results of the audit and the statements, amended in agreement with our auditors if necessary, will be brought back to the Committee for approval on or before 29th September 2014. At this meeting the Committee will be able to consider the findings of the audit and the management responses to those findings.
