### **38. ANNUAL SCRUTINY REPORT**

Members of the committee were asked to endorse the Annual Scrutiny Report. This would be submitted to Council in September 2014.

The Chair extended his thanks to everyone who had contributed to scrutiny over the previous year and also to members of the Executive. Approximately 20 reviews had been carried out during the past year and officers had been supportive in ensuring that the scrutiny process was robust.

A suggestion was made that to avoid printing colour paper copies and to save money, the report should be made available as an 'e-book' with a limited number of copies made available in libraries for those who did not have access to the internet. The Chair agreed to this approach and asked for copies to be made available on line.

RESOLVED:

- 1) that the Overview Select Committee endorse the Annual Scrutiny Report; and
- 2) for the report to be published on-line and for a limited number of paper copies to be made available in libraries.
