Other golf courses also offer special promotions. For example, Birstall Golf Course are currently offering a 2 for 1 promotion during weekdays, and therefore visitors would only be expected to pay £15 each – lower than the price at the City Council Golf Courses. The £20 per round cost for Scraptoft Golf Course is also a current promotional offer, but is added in the chart above as single players would also pay £20 for a round of golf. The chart below shows the price comparison of a 'pay and play' round of golf across the same courses, but this time taking into account the 2-for-1 discounts which are available at each course.

**Price of Golf - Taking into account 2-for-1 promotions**

Summary: The availability of these promotions may vary – and may not be purchasable on weekends. Nonetheless, when the promotional offers at other golf courses are considered, there are 8 other golf courses around Leicester which offer a 'pay and play' option at the same price or lower price than the City Council Golf Courses – with 2 other golf courses offering very competitive prices as well. Please note that prices above are weekday prices only.
