

APPENDIX C – Vulnerable Children Data

PVI provision – (n) vulnerable children

Category	Number
Looked after children	21
SEND children	179
Children on Child Protection Plans	32
Children on Early Help Support	47

Numbers of providers returned: 71

Comments from providers:

‘just a point about children with social care involvement and child protection plans, it is often the case that we are not made aware that a child is on a protection plan or has some level of social care involvement for many months after the family engages with us, the figure i have given it to the best of my knowledge’

LCC returns
