

**LEICESTER CITY HEALTH AND WELLBEING BOARD**

**18 AUGUST 2016**

<b>Title of the report:</b>	Leicester City Clinical Commissioning Group – Primary Care Strategy
<b>Author:</b>	Sarah Prema, Director Strategy and Implementation
<b>Presenter:</b>	Sarah Prema, Director Strategy and Implementation
<b>Purpose of report:</b>  Leicester City Clinical Commissioning Group is in the process of developing its Primary Care Strategy. The strategy will be finalised once the local Sustainability and Transformation Plan is completed in September 2016, which is including work around general practice. In addition it will be informed by the Health Summit which is being held in September 2016.  The attached presentation identifies the challenges faced by primary care in the city and the plans to address these.	
<b>Actions required by the Health and Wellbeing Board members:</b>  <b>NOTE</b> draft Primary Care Strategy for Leicester City Clinical Commissioning Group.
