FORWARD TIMETABLE OF CONSULTATION AND MEETING

Audit and Risk Committee

22 March 2017

Proposed Schedule of Meetings for the Financial Year 2017-18

Report of the Director of Finance

1. Purpose of Report

- 1.1. To present to the Committee a proposed schedule of meetings and suggested agendas for the Financial Year 2017-18.

2. Recommendations (or OPTIONS)

- 2.1. The Committee is recommended to:-

- Note and accept the proposed plan content – Appendix 1; and,
- Raise any issues or questions with the report author or the Director of Finance.

3. Summary

- 3.1. The meetings of the Committee have traditionally been scheduled based on historic occurrence, with each meeting agenda following the same pattern. In March 2014, for the first time, the Committee were presented with a plan for the following year in its last meeting of the current financial year. This allowed the established members to agree on the forward format of meetings – both timing and agendas – based on their experience throughout the past year.
- 3.2. This process has worked well since 2014 and this is that report for the Committee meetings for the Financial Year 2017/18.

4. Report

- 4.1. For many years the Audit and Risk Committee meetings have been scheduled to take place around the same time each year based on past occurrence. Similarly, the agenda for these meetings has followed the same pattern.

- 4.2. By changing this approach, members have the opportunity to feed in their thoughts and comments relating to both the timing (and number) of meetings as well as the agenda content. Wherever possible, all of the papers and reports that are similar in nature or content will be brought to the same meeting. It is hoped that this will make life a little easier for members to understand and digest their content.
- 4.3. This approach also makes it easier to schedule the 'training' or 'briefing' session at the start of each meeting to assist members with their understanding of the papers that they will later be reviewing and discussing. Wherever possible, the pre-meeting training session will cover a topic that will appear on that meeting's agenda.
- 4.4. The timing of this report is also important to ensure that existing Committee members, who will have 'served' at least a year on the Committee, are making these decisions rather than bringing the report to the first meeting of the new financial year when there may be a number of new members with limited knowledge of the Committee and its aims and objectives.
- 4.5. The proposed plan is attached as Appendix 1. It should be noted that the proposed meeting dates may need to be revised once the 'new' Committee make-up is known. If members are comfortable with the proposal this may be agreed at this meeting. If there are many changes and suggestions, these can be taken away and a revised, final version will be brought back to the first meeting of the new financial year.
