SECOND DESPATCH

## Meeting of the Neighbourhood Services and Community Involvement Scrutiny Commission

12 July 2017

### Agenda Item 10: Questions, Representations and Statements of Case.

Further to the agenda for the above meeting which has already been circulated, please note that the Chair has agreed to accept the following two questions which have been submitted by Janet McKenna, Unison Assistant Branch Secretary. Under Scrutiny Procedure Rule Part 4E, Rule 10, the questions were not submitted to the Monitoring Officer in time for a detailed response to be given at the meeting. In view of this, the questioner will be sent a written response after the meeting.

- 1. Will the Scrutiny Committee recommend that the council conducts a full assessment of the current need for advice services, in Leicester, as well as an assessment of the likely increased need due to changes such as the full roll-out of Universal Credit and Brexit?*
- 2. Will the Scrutiny Committee ask the Council to have full regard to the Care Act statutory guidance regarding the need to provide adequate information and advice services to residents?*
