14/06/2017	Mrs Margaret Marriott	Petition requesting the council take action possible to require Sanctuary Housing to deal with the problems caused by John Calvert Court	(p)	148	Beaumont Leys	Cllr Waddington presented the petition to Council Meeting on 6 July 2017	Chris Burgin	<p>The Council has no legal interest in the site or it's re-development as the land is in private ownership but we are working with the owner, to try and get a positive outcome. Sanctuary Housing Association, the owners of the site has confirmed that they propose to demolish the building and have spoken with the Council Planners to discuss options to re-develop the site.</p> <p>John Calvert Court was built with funding from the NHS, part of this funding is re-payable to the NHS, and there is a legal charge on the property. To establish the amount the property has been valued by the District Valuer but the figure has not been confirmed. Arrangements are in place for John Calvert Court to be demolished and the site cleared once agreement has been reached with the NHS. Sanctuary has been exploring development options for the site which include the provision of market sale housing, low cost ownership products and affordable rent housing. A final decision had not been made. The Council will continue to work with Sanctuary Housing Association to help and assist them re-develop the site as soon as possible.</p>	Pro-forma sent to Scrutiny Chair		GREEN

14/07/2017/1	S Sharma	Petition requesting the Council to provide floodlights in Rushey Fields Recreation Ground.	(p)	125	Rushey Mead	Cllr Clair presented the petition to Council Meeting on 6 July 2017	John Leach	The existing lighting has not been working correctly due to the pavilion on site being leased to a property developer who now has control of the supply to the public lights through his building. Costs have been obtained to separate the supply which will cost £8,000. The main route through the park is well lit and provides a good route for school children to get across the site. There is no identified need to provide additional lighting along the route between the school access path and Melton Road. School children who want to get to the Melton Road will exit the school on Melton Road and will not need to enter the park. To install the additional light columns along this route would cost around £9,000 and then have an ongoing cost of maintenance and energy use. There is no available budget for this. This route forms part of a larger ecologically sensitive area and current advice is to avoid installing lighting which would affect areas of this type.	Pro-forma sent to Scrutiny Chair		GREEN
14/07/2017/3	Louise Cox	Petition requesting the Council to assist in removing rodents from an area of unmanaged overgrowth adjacent to properties in Waldale Drive and Laureston Drive	(p)	29	Stoneygate	Cllr Chaplin presented the petition to the Council Meeting on 6 July 2017.	John Leach	The Council has carried out drain tests in the area and discovered significant faults in residents properties. The Council are satisfied that the overgrown areas referred to in the petition are not the origin of the rodents mentioned in the petition. The Council have contacted the owners of the land and significant work has been undertaken to tidy the site and the Council is pursuing the landowner to complete all the works. The Council's position remains that householders need to manage their property in a way that does not encourage rodent growth and colonisation; and because these animals are an inescapable element of the urban environment householders should proof their houses to prevent entry. The Council's Pest Control Service can provide treatments and offer advice if requested.	Pro-forma sent to Scrutiny Chair		GREEN
