With our new app you'll be able to let us know about any environmental problems and also access a wealth of council information from your smartphone or tablet.

How does it work?

1.Download it - Our free app is available for Android, Windows, Blackberry and iPhones. Simply visit your app store and search for Love Leicester.

2.Spot it - Whether it's graffiti, litter, fly-tipping, dog fouling or another environmental problem, you can let us know about it.

3.Report it - Take a picture of the problem and upload it using the app. You can tag the location and include other details so we can fix the issue quickly.

4.Fix it - When you submit your report the details and picture will be sent to the right team who can fix the problem. They'll also be able to post a picture of what they've done.

As well as reporting problems, you can tell us what you like about Leicester. You can also find event listings, details of your nearest leisure centre, current consultations and easily get to our mobile friendly website for information on all council services.

The app is part of the Love Clean Streets network which is used by many councils. This means you can use it anywhere to report problems in other cities as well as Leicester, and the app will route your report to the right council.

It replaces the old One Clean Leicester app so if you already have this on your phone you'll need to uninstall it and download our new Love Leicester app.

CITY WARDEN SERVICE UPDATE

Bins Left On the Street

I am just coming to the final stages of a project to get bins off the street covering a number of streets in the ward. These include Grasmere Street, Clifton Road, Hughendon Drive, Jarrom Street, Knighton Lane, Macaulay Street, in total 10 streets in the ward have been done so far. I am having positive results on most of the streets with bins now being taken in after collection. With new students moving in I will be checking back in the new year on the popular student areas and giving advice on how they can dispose of waste correctly.

Fly-Posters

You may have noticed lots of posters for Planet Circus around the ward earlier in this month these were put up illegally, the company was served a notice to remove all their posters within 48 hours I am happy to say they complied with the notice and all were taken down.

Fixed penalty Notices

So far this year I have issued 59 Fixed penalty Notices for various offences. 4 for dog fouling, 1 for Fly-posting, 1 for Breaching a Community Protection Notice, 36 for leaving Bins on the street, 2 for Businesses disposing of waste illegally, 8 for Littering offences, and 7 for smoking in a smoke free place.

If you have any issues that you would like to report then please speak to the City Wardens or contact the service on 0116 4541001
